Description:

The prime contractor must have actively engaged in business of roadway maintenance and/or construction performing sign repairs/installations for a minimum of three years. The bidder shall provide at least 3 references with contact information. A bid proposal will be considered non-responsive if the above information is not provided with the bid submittal. Supply a letter to the Department with the bid from a surety authorized to do business in the State of Florida, verifying that the contractor is bondable. No performance and payment bonds are required at the time of award. Within five working days after commencement of any work, the contractor will supply to FDOT and keep in force performance and payment bonds to match the amount noted in the Notice to Proceed.

The improvements under this contract consist of providing all labor, materials, equipment and incidentals necessary to install, remove and replace signalization equipment damaged by natural disaster at various locations on an as needed basis throughout District 4.

This is a two year, non-renewable contract and will be awarded with $0.00 amount. There is no guarantee of minimum or maximum amount of work under this contract.
