Description:

The work in this contract consists of mechanical sweeping of designated roads and bridges in addition to edging and sweeping of designated locations in Leon County. The areas to be swept include, but are not limited to: curb and gutter, valley gutter, all asphalt areas at intersections where debris can accumulate, areas adjacent to barrier walls, bridge decks, inlet openings, curb ramps, concrete median traffic separators and associated drainage slots, and concrete pedestrian throughways. Removal of vegetation, accompanying build-up of soil, or roots in cracks and joints of pedestrian areas (including within sidewalks, between sidewalks and curbs, between sidewalks and concrete or asphalt driveway connections, sidewalks, and curbs) and median traffic separators will be performed as incidental to pay item E110-32-1. Documentation, including disposal facility receipts, indicating location of disposal and quantity of disposed material are required to be submitted with each invoice as a condition precedent to payment. Maintenance of Traffic and Mobilization will be incidental to the pay items listed.
