

Q&A for . . .

May 18, 2016

FDOT Automated Quantities - Ch03 Civil Features & Adhoc Attribute Manager

Q: Where can I find the recording, power point and questions & answers for this webinar?

A: All the current 2016 Florida Department of Transportation (FDOT) Production Support Office - CADD webinars are now posted onto a new enterprise wide FDOT Training YouTube website:

https://www.youtube.com/channel/UCqbY8kqZuXp1pyYV6lIQw_A

Many of the prior recordings of training webinars will also be accessible from this YouTube website.

**** Please take the time to Subscribe and watch the introductory video. (free of charge)****

A: All Production Support Office - CADD webinar recordings along with any Presentation and Q&A documents, can still be accessed from the Production Support Office - CADD *Posted Webinar* website as well: <http://www.dot.state.fl.us/ecso/downloads/GoToMeetingTraining/PostedWebinars.shtm>

Q: Where can I find the FDOT CADD Training Manuals?

A: The Production Support Office - CADD Training Manuals, along with their associated training data sets, can be downloaded from the Production Support Office - CADD website:

<http://www.dot.state.fl.us/ecso/main/FDOTCaddTraining.shtm>

A: Production Support Office - CADD is striving to record all CADD Training Manuals thru training webinars and have them accessible from the FDOT Training YouTube website as well.

Q: How can I get on the list for email alerts for future Production Support Office - CADD Webinars or Notifications?

A: The [FDOT Contact Management](#) is available for participants to sign up for email alerts as the webinars are scheduled and notifications are released. Just check the “CADD” options under each applicable section. Select here for a [“How to use FDOT Contact Management”](#) help document or an [“FDOT Contact Mailer”](#) webinar.

Production Support Office - CADD’s current *Scheduled Webinars* can be accessed for registration at:

<http://www.dot.state.fl.us/ecso/downloads/GoToMeetingTraining/ScheduledWebinars.shtm>

Q: Where can I connect to the on-line FDOT CADD Support Forum?

A: http://communities.bentley.com/communities/user_communities/fdot_cadd_support/

Q: How can I connect with a CADD Support representative?

A: Production Support Office - CADD welcomes all your offers of presentations and suggestions of topics to assist your needs. Feel free to contact this office with any comments, suggestions and questions via our support email: ecso.support@dot.state.fl.us

The FDOT [CADD Manual](#) and [Customer Support Guide](#) documents may also be of assistance.

Q: Which Manual are you in?

A: FDOT Automated Quantities training manual. The manual and data set can be downloaded from the CADD website at the following link:

<http://www.dot.state.fl.us/ecso/downloads/documentation/FDOTAutomatedQuantities/FDOTAutomatedQuantities.shtm>

Q: How do you handle end treatment since anchorage come in as a cell and length of guardrail are calculated begin/end to end/begin?

A: The items for the end treatments are set up with adhoc to account for the quantity of guardrail included in the cell per the standard indexes.

Q: What is the news on the upcoming KEY SHEET changes?

A: The **Hot Fix** for the FDOTSS4 Maintenance Release (MR)1 CADD Software (version 01.01.01) is now available from the CADD website at the following link:

<http://www.dot.state.fl.us/ecso/downloads/software/FDOTSS4CADDSoftware.shtm>

This **Hot Fix** includes only the files updated to address [Roadway Design Bulletin 16-03](#). It should only be applied to servers or stand-alone workstations that have already been upgraded to FDOTSS4 MR1.
