DESCRIPTION:
Electronic/sealed bids are requested for a contract that consists of providing the Department with the means for a quick response to resolve problems that relate to bridge and structure repairs and improvements. The work specified in this contract consists of providing labor, equipment and materials to incidental repairs of existing bridge and structures. The actual reimbursement to the contractors will be based on the unit price of the actual amount of work authorized for completion and approved by the District Project Manager, subject to the limiting amount of the contract. The quantities listed on the summary of quantities sheets are estimates only. The various items shall be constructed in accordance with the specifications and in conformity with the existing lines, grades, and dimensions. This is a work order driven contract. There are no specific locations and the work will be assigned within the limits in Miami-Dade County as directed by the District Maintenance Engineer or his/her designee. The summary or pay items for this project is listed in the bid price proposal. Bidders must complete the Experience in Bridge Repair (Form No.850-070-04) and submit it with the bid or the bid will be deemed non-responsive.

The award will be made at the Budgetary Ceiling amount of $400,000.00

*** SPECIAL NOTE: This bid must be submitted using Expedite Bid or through Bid Express and all attachments must be in a zip format. Handwritten bids will not be considered.
