NEW VERSION OF EXPEDITE BID

Expedite Bid version 5.9a has been released. Expedite Bid version 5.9a must be used to submit bids beginning with all Lettings after August 3, 2010. Please visit the Contracts Administration Office Web Site at www.dot.state.fl.us/cc-admin/InternetBiddingInfo.shtm to download the new version. Failure to use this new version may cause your bid to be rejected.

NEW EBS FILE

If you are a PROPOSAL HOLDER, a new EBS file will be emailed to you at the email address you provided on the Fax Order Form. Please discard the old EBS file that came on the Proposal CD received from this office. If you ordered a Proposal CD on or after July 28, 2010 your Proposal CD will contain the new EBS file.

If you have already submitted a bid to Bid Express for a letting after August 3, 2010 using the old EBS file, it needs to be withdrawn from Bid Express. After preparing your bid using the new EBS file and Expedite Version 5.9a, you may resubmit your bid to Bid Express.
