## Addendum No. 3

The Request for Proposal for the above referenced project was amended as follows:

1. **Section III.J. Modification or Withdrawal of Technical Proposal, Page 9 of 63. The paragraph is replaced with the following:**
   *Proposers may modify or withdraw previously submitted Technical Proposals at any time prior to the Technical Proposal due date. Requests for modification or withdrawal of a submitted Technical Proposal shall be in writing via email and shall be signed in the same manner as the Technical Proposal. Upon receipt and acceptance of such a request, the entire Technical Proposal will be returned to the Proposer and not considered unless resubmitted by the due date and time.*

2. **Section VII.B. Submittal Requirements, Page 50 of 63. The first five paragraphs are replaced with the following:**
   *The Technical Proposal shall be packaged in a single pdf with the information, paper size and page limitation requirements as listed herein.*

   *The written Technical Proposal must be submitted electronically via email in .pdf format including bookmarks for each section. Bookmarks which provide links to content within the Technical Proposal are allowed. Bookmarks which direct to information not included within the content of the Technical Proposal shall not be utilized. No macros will be allowed. Minimum font size of ten (10) shall be used. Times New Roman shall be the required font type.*

   *Only upon request by the Department, provide calculations, studies and/or research to support features identified in the Technical Proposal. This only applies during the Technical Proposal Evaluation phase.*

   *Submit one (1) Technical Proposal in .pdf format via email to the following email addresses. File size is limited to 20 MB per email and attachments are to be compressed or split as needed to meet this limit.*
