DESCRIPTION:
Electronic/sealed bids are requested for a contract that consists of providing labor, equipment and materials for deep well cleaning and drainage system maintenance and repairs. This is a work order driven contract. There are no specific locations. The proposal does not include separate pay items for mobilization, or maintenance of traffic. All work and incidental costs specified as being covered under these sections will be included in the contract unit price for the work being performed and no separate payment will be made. No quantities are guaranteed and there will be no pay item unit cost adjustments for quantities over or under the estimated quantities. The various items shall be constructed in accordance with the specifications and in conformity with the existing lines, grades and dimensions. The work will be assigned within the limits by the District Maintenance Engineer or his representative. The Award will be made at the Budgetary Ceiling of 150, 000.00.

* Bidders must complete the Experience in Drainage Repair (Form No. 850-070-05) and submit it with the bid or the bid will be deemed non-responsive.

* Special Note: This bid must be submitted using Expedite Bid or through Bid Express and all attachments must be in a zip format.
