PROPOSAL REQUIREMENTS AND CONDITIONS.
(REV. 4-19-11)

ARTICLE 2-1 (of the Standard Maintenance Special Provisions) is deleted and the following substituted:

For this Project the Contractor is required to have specific expertise and experience in the performance of **Concrete Installation**. In order for the Contractor to be responsive, the following must be submitted with the bid to the District Contract Administrator:

(a) A letter on the company letterhead with the following information (the letter must be signed by the Owner of the Company or Company Officer and dated):

(1) A statement declaring at least **(3) complete years** of experience in the active performance of Concrete Installation with its own forces and organization as opposed to the use of subcontractors. The company shall include up-to-date resumes for their Superintendents with experience in Concrete Installation work.

(2) A statement declaring that the company will perform all contract required Concrete Installation with its own forces and organization, except as may be provided in Standard Specification 8-1 as modified by the Contract documents.

(3) A statement listing project history of the company's experience as a Concrete Installation contractor for the **(3) years** declared in item (a) (1) above, including the following information:

(i) Project name/number and brief description of Concrete Installation performed; and

(ii) Beginning and ending date of Concrete Installation contract; and

(iii) Location of project (city, state); and

(iv) Monetary amount of Concrete Installation contract; and

(v) Owner of project/contact person/phone number with area code; and

(vi) If applicable, name of Prime Contractor (Client) that the work was performed for, including phone number with area code.

A Contractor presently prequalified with the Department in "**Portland cement concrete**" will suffice to meet the above requirements.
