PROPOSAL DESC :
Work consists of providing all labor, materials, equipment and incidentals necessary for widening and resurfacing of the Turnpike Mainline (SR 91), complete with earthwork,drainage, stabilization, base, Superpave asphalt pavement, milling and resurfacing, barrier wall, guardrail, roadside signs, roadway lighting, fencing, new bridges, bridge widenings, sound walls, retaining walls and landscaping. The improvements are along SR 91 from Peters Road to the north of Sunrise Boulevard in Broward County. No Pre-Bid Conference. Contractor must be prequalified. Bids for this project MUST be submitted by Bid Express only. No other means of submission of bids will be accepted. For the purpose of bidding, the Department has established a maximum budget of $30,000,000.00. This amount is not the Department's official cost estimate for the work but is the budgetary constraint established for this contract. Submission of a bid under the maximum budget is not a guarantee of contract award and cannot be interpreted as an appropriate or awardable bid amount. For this contract, the Department will reject as non-responsive any bid in which the contractor submits a bid in excess of the maximum budget amount shown above. During preparation of the bid, if concerns regarding the Department's maximum budget arise, submit a letter of budget concern to Rich Nethercote by 14 days prior to letting. The Department will review the letter of budget concern and determine its next course of action. This process is established to provide the opportunity for bid proposal holders for this contract to express budget constraint issues prior to submission of a bid.
