Official Highway Mileage

The intercity distances indicated here are provided by the Florida Department of Transportation, Transportation Statistics Office. Expanded and current lists of intercity mileages are available by accessing the Department through the State of Florida's webpage at www.myflorida.com or in hardcopy format from the Department of Transportation. These lists shall be used, when possible, in conjunction with the map for reimbursement purposes described in F.S.112.061(7)(d)3. Mileages are determined via selected state, county and city roads. Distances are computed along the shortest route.

The tourist attractions and display advertisements placed on this publication are paid advertisements and do not constitute an endorsement by the State of Florida or any other agency. The map is intended as a convenience to Florida visitors and the public, and may not include a complete listing of available tourism related services, facilities, and attractions in every area of the state.
