Will this revision necessitate any of the following:

Design Bulletin ☐ **Construction Bulletin** ☐ **Estimates Bulletin** ☐ **Materials Bulletin** ☐

Are all references to external publications current? **Yes** ● **No** ○

If not, what references need to be updated? (Please include changes in the redline document.)

Why does the existing language need to be changed?

This revision clarifies that the Contractor must certify the number of gallons of fuel and bituminous material and submit a Contractor's Certified Monthly Estimate for Design Build projects.

Summary of the changes:

The word "invoice" is replaced with "Contractor's Certified Monthly Estimate".
9-2.1.1: The formulas for calculating the fuel adjustment are updated according to the formulas in the Standard Specifications for consistency.

Are these changes applicable to all Department jobs? **Yes** ○ **No** ●

If not, what are the restrictions?

These updates apply to Design Build projects.
