Will this revision necessitate any of the following:

Design Bulletin ☐ **Construction Bulletin** ☐ **Estimates Bulletin** ☐ **Materials Bulletin** ☐

Are all references to external publications current? **Yes** ◉ **No** ○

If not, what references need to be updated? (Please include changes in the redline document.)

Why does the existing language need to be changed?

The Engineering Analysis process is being updated in the Specs and 346 needs to reference Section 6 when an Engineering Analysis is required.

Summary of the changes:

Instances of deficiencies within Section 346 that require further investigation and/or analysis now incorporate the language Engineering Analysis and are referred to Section 6.

Are these changes applicable to all Department jobs? **Yes** ◉ **No** ○

If not, what are the restrictions?
