PUBLIC COMMENT FORM

The Florida Department of Transportation and the Florida Rail Stakeholder Advisory Committee encourage written comments—All written comments will be included in the meeting summary report.

Name: Neil. Cosentino @ verizon.net

Organization: FASTA / Camelot Florida*

Meeting Date: Tuesday July 29, 2008

Please make your comment(s) as specific as possible, and offer suggestions to address your concerns.

Please limit comment(s) to topics within the scope of the Advisory Committee, and refrain from any personal attacks or derogatory language.

COMMENT: Florida will get one of seven Global Airports that will be built in the USA.

All rail must lead to the Florida Global Airport (FGA).

MCO, TIA & MIA are too small to be Global Airports.

Global Airports are designed for First Second and third level Air Service + private air and cargo operations...

Please give completed form(s) to the Facilitator(s) for inclusion in the meeting summary report. Additional comments can be made on-line: www.dot.state.fl.us/rail/plandevel.htm
