PROFESSIONAL EMPLOYMENT HISTORY

1981 to Present
President

Hewitt Contracting Company, Inc.
Leesburg, Florida

Purchased my partner's stock and changed the name from Square G Construction Company, Inc. to Hewitt Contracting Company, Inc. Hewitt Contracting Company is a Heavy and Highway Construction Company. I am a hands-on CEO responsible for the overall management and operating results of the company.

1976 to 1981
Vice President

Square G Construction Co., Inc.
Leesburg, Florida

One of the partners and I bought out the third partner and we became 50/50 owners. We continued our duties as in 1967-1981 because our other partner had been a silent financial partner and had no day-to-day company responsibilities.

1967 to 1976
Vice President

Square G Construction Co., Inc.
Leesburg, Florida

Purchased a one-third interest in the Corporation in February of 1967. Square G Construction Company, Inc. was a Heavy and Highway Construction Company. The work program included roads, bridges, utilities and land development. I was responsible for the preparation of all D.O.T. bids, as well as the management of all field operations.

1963 to 1967
Superintendent

Gregg Gibson & Gregg
Leesburg, Florida

My primary responsibilities with Gregg Gibson & Gregg were to manage jobs and assist with the estimating of D.O.T. projects.
