OBJECTIVE

To make a significant contribution using my knowledge, skills and abilities acquired from many years of highway and bridge construction experience by serving on the Dispute Review Board.

EMPLOYMENT

Proch Enterprises, Inc.
President

1996-present
Ridge Manor, FL 33523

Dispute resolution on highway and bridge construction projects. Have previously served on boards for SR 44 in Citrus County, SR 20 in Alachua County, I-4 in Hillsborough County, I-95 in Palm Beach County, SR 20 in Niceville, SR 13 in Jacksonville, US 192 in Orlando, SR 5 in West Palm Beach, and I-95 at Palm Beach International Airport Interchange. Chairman for Regional Disputes Review Board Districts 4 & 6 and Turnpike South of Indian River County.

Aim Engineering & Surveying, Inc.
Project Engineer

1996-present

Consultant Project Engineer in charge of highway and bridge construction projects.

Florida Department of Transportation

1966-1996

Interim-Resident Engineer, Assistant Resident Engineer, Project Engineer and Manager, District Office Engineer and inspector for 30 years with FDOT on high-profile, highly complex highway and bridge construction projects throughout Districts 1 and 7. I managed, directed, motivated and supervised 50+ employees in the inspection of highway and bridge construction projects in Hillsborough, Pinellas, Hernando, Pasco and Manatee Counties.

EDUCATION

Hillsborough High School
Graduated 1966, diploma

Hillsborough Community College
AA Degree in Pre-Law, 1977

University of South Florida
Courses in Engineering Economics and Computers, 1988
