

## **ROBERT F. GREEN, P.E.**

---

### **Qualifications**

Mr. Green has more than 40 years experience in the civil engineering field. His professional experience has been primarily in land development and highways, which includes the design and supervision of these projects from conception to completion. Several years of municipal project design and construction supervision experience were attained while design engineer for the cities of Gainesville and West Palm Beach, Florida, as City Engineer for the cities of St. Leo, Brooksville, and Dade City, Florida, and as Manager of Engineering and City Engineer for the city of Lakeland, Florida. Highway design experience includes secondary, primary and interstate roads.

### **Experience**

**Robert F. Green, P.E., Consulting Engineer**  
President/Principal, 1997 to Present

**City of Lakeland Public Works – Engineering**  
Manager of Engineering/City Engineer, 1990 to 1997

**Green Engineering Associates, Inc.**  
President/Principal, 1982 to 1990

**Coastal Engineering Associates, Inc.**  
Chief Engineer, 1980 to 1982

**Robert F. Green, P.E. Consulting Engineer**  
President/Principal, 1975 to 1980

**Construction-Engineering Consultants, Inc.**  
Vice President/Principal, 1973 to 1975

### **Representative Experience**

- Subdivisions in twenty Florida counties and the Grand Bahamas
- Mobile Home Parks in Alachua, Hernando, Hillsborough and Pasco Counties
- RV Travel Trailer Parks in Hernando, Pasco and Polk Counties.
- Highways -
  - Interstate - Connecticut, Pennsylvania, New York and Florida
  - Primary - Pennsylvania and Florida
  - Secondary - Florida
  - Other - Broward, Lee, Orange and Hernando Counties, the City of Lakeland and the Niagara Thruway Utility Relocation in New York.
- Buildings - Hernando, Hillsborough, Orange, Pasco and Polk Counties
- Site Plans - Hernando, Martin, Pasco, Polk and Sumter Counties.
- Utilities -
  - Sewage Lagoons in Pasco County for three dairys and egg farms.
  - Sewage Treatment Plants in Hernando, Osceola, Pasco and Polk Counties
  - Water Treatment Plants in Hernando, Hillsborough, Osceola, Pasco and Polk Counties.
  - Lift stations, sewer systems, water systems and force mains in Pasco and Polk Counties.
- Utility Evaluations in Broward, Dade, Hernando and Polk Counties.

- Construction Management -
  - Alpha Village – Pasco
  - Berkeley Manor S/D - Hernando
  - Lindsey Acres S/D - Hernando
  - St. Anne's Church - Hernando
  - Southway Villas Annex's - Hernando
  - Sumter Oaks RV Park – Sumter
  - Sunnybrook Mobile Home Park – Hernando
  - Timber Lake Estates – Pasco
  - Zephyrhills Bottled Water – Pasco
- DRI for Springtree – a 2,800 acre development in Polk County
- Drainage District – West Lakeland Water Control District –3800 acres
- Drainage Studies –
  - Deltona - 15,000 acres - Polk
  - Silver Oaks Golf Course - 150 acres – Pasco
  - Whispering Oaks— 207 acres – Hernando
- Feasibility Studies in Dade, Hernando, Lake, Orange and Pasco Counties
- Golf Courses –
  - Buenaventura Lakes – Osceola
  - Springtree – Polk
  - Wild Kingdom – Lake
- Master Plans in Broward, Hernando, Lake, Osceola, Pasco and Polk Counties
- City of Lakeland –
  - National Pollution Discharge Elimination System (NPDES)
  - Polk County Parkway – Water & Sewer Facilities – 25 miles of piping
  - Sanitary Sewer Inventory/Conversion to GIS
  - Storm Sewer Inventory/Conversion to GIS
  - Stormwater Utility Development

#### **Education**

University of Buffalo - Buffalo, New York  
University of New York –Erie County Tech, Institute – Buffalo, NY  
Erie County Technical Institute - Buffalo, New York  
I.C.S. – Civil Engineering Program – Scranton, Pennsylvania

#### **Professional Registration and Memberships**

Professional Engineer, State of Florida (#13955)  
Professional Engineer, State of Georgia (#17918)  
Professional Engineer, State of North Carolina (#6755)  
Professional Engineer, State of Virginia (#20465)  
Florida Engineering Society - Ridge Chapter, past president  
American Society of Civil Engineers  
National Society of Civil Engineers  
American Public Works Association  
International Erosion Control Association

**ROBERT F. GREEN, P.E.**

1195 S. First Ave.  
Bartow, Florida 33830  
(941)534-8302

Robert F. Green is a Registered Professional Engineer in the states of Florida, North Carolina, Georgia and Virginia. He received his educational background in civil engineering and construction at the University of New York in Buffalo, Erie County Technical Institute and ICS.

His professional experience in civil engineering has been primarily in the field of land development and highway, which includes the design and supervision of developments, highway and related projects, from conception to completion. Several years of municipal project design and construction supervision experience were attained while design engineer for the cities of Gainesville and West Palm Beach, Florida, as City Engineer for the cities of St. Leo, Brooksville, and Dade City, Florida, and as Manager of Engineering and City Engineer for the city of Lakeland, Florida. Highway design experience includes secondary, primary and interstate roads.

He has been associated with these leading design firms:

- Buchart-Horn Consulting Engineers, Inc.
- City of Lakeland - Public Works - Manager of Engineering/City Engineer
- Coastal Engineering Associates, Inc. - Chief Engineer
- Construction-EngineeringConsultants, Inc. - Vice President/Principal
- DeLeuw, Cather & Associates
- Diversified Consultants, Inc. - President/Principal
- Gee & Jensen Consulting Engineers, Inc.
- General Development Corporation
- Green Engineering Associates, Inc. - President/Principal
- Kunde & Associates
- Robert F. Green & Associates, Inc. - President/Principal

His municipal experience has been as follows:

- City of Gainesville (1965-1967) ----- 2 years
- City of West Palm Beach (1969) ---- ½ year
- City of St. Leo (1978) ----- 1 year
- City of Brooksville (1980-1982) ---- 1 year
- Hernando County (1980-1982) ----- 1 year
- City of Brooksville (1982-1983) ---- 1 year
- City of Dade City (1989-1990) ----- 1 year
- City of Lakeland (1990-1997) ----- 7 ½ years

His land development, design and supervision experience has been in the following areas:
