Re: Office of Design, Specifications
Section 007
Proposed Specification: 0070107.D01 – Legal Requirements and Responsibility to the
Public-Insecticides and Herbicides

Dear Dr. McCarthy:

We are submitting, for your approval, two copies of a proposed Supplemental Specification for Legal Requirements and Responsibility to the Public-Insecticides and Herbicides.

This change was proposed by Jeff Caster of the Environmental Management Office to delete reference to the Local County Extension Office, for a list of approved insecticides and herbicides.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via Email to SP965DB or duane.brautigam@dot.state.fl.us.

If you have any questions relating to this specification change, please call Duane F. Brautigam, State Specifications Engineer at 414-4110.

Sincerely,

Duane F. Brautigam, P.E.
State Specifications Engineer

State Construction Engineer

**LEGAL REQUIREMENTS AND RESPONSIBILITY TO THE PUBLIC-
INSECTICIDES AND HERBICIDES.****(REV 5-10-077-19-07)**

SUBARTICLE 7-1.7 (Pages 63 and 64) is deleted and the following substituted:

7-1.7 Insecticides and Herbicides: ~~Contact the Local County Extension Office for a list of approved Insecticides or Herbicides. Only use products registered with the Florida Department of Agriculture for use in the State of Florida.~~ Use products *found on the following website, www.flpesticide.us/, approved by the* registered with the Florida Department of Agriculture for use in the State of Florida. The use of restricted products is prohibited. Do not use any products in the sulfonylurea family of chemicals. Herbicide application by broadcast spraying is not allowed.

Procure any necessary licenses, pay all charges and fees, and give all notices necessary for lawful performance of the work.

Ensure that all employees applying insecticides and herbicides possess a current Florida Department of Agriculture Commercial Applicator license with the categories of licensure in Right-of-Way Pest Control and Aquatic Pest Control. Provide a copy of current certificates upon request, to the Engineer.

Ensure that employees who work with herbicides comply with all applicable Federal, State, and local regulations.

Comply with all regulations and permits issued by any regulatory agency within whose jurisdiction work is being performed. Post all permit placards in a protected, conspicuous location at the work site.

Acquire any permits required for work performed on the rights-of-way within the jurisdiction of National Forests in Florida. Contact the Local National Forest Ranger District, or the United States Department of Agriculture (USDA) office for the proper permits and subsequent approval.

Acquire all permits required for aquatic plant control as outlined in Chapter 62C-20, Florida Administrative Code, Rules of the Florida Department of Environmental Protection. Contact the Regional Field Office of Bureau of Invasive Plant Management of the Florida Department of Environmental Protection for proper permits and subsequent approval. If application of synthetic organo-auxin herbicides is necessary, meet the requirements of Chapter 5E-2, Florida Administrative Code.
