

BROWARD BOULEVARD IMPROVEMENTS & BRIDGE REPLACEMENT PROJECT IN FORT LAUDERDALE

Project Overview

The Florida Department of Transportation (FDOT) has awarded a \$16 million contract to Munilla Construction Management, LLC (MCM) for improvements along Broward Boulevard from NW/SW 18th Avenue to US 1 and the replacement of the Broward Boulevard bridge over the North Fork of the New River in Fort Lauderdale. Construction began October 7, 2016 and will be completed in summer 2018.

Project Improvements

- Replacing the bridge over the North Fork of the New River
- Removing old asphalt and resurfacing the roadway
- Upgrading crosswalk ramps to meet ADA requirements
- Upgrading signs and pavement markings
- Relocating bus shelters
- Adding roadway lighting
- Installing drainage structures
- Upgrading signalized intersections to mast arms
- Reconstructing sidewalks
- Widening roadway to add bike lanes in each direction

Traffic Impact

- Access to businesses, residences and schools will be maintained at all times.
- Single lane closures are expected Mondays through Fridays between 10 p.m. and 6 a.m.
- Double lane closures are expected Mondays through Fridays between 12:30 a.m. and 6 a.m.
- Lane closures may occur on weekends, except during special events.

Project Updates

The project team will be distributing periodic updates. If you would like to receive project updates by email, please email ddiaz@corradino.com
