Re: 2015 Annual Regulatory Plan

Dear Mr. Plante:

Pursuant to the requirements of Section 120.74(1)(d), Florida Statutes, we have reviewed the enclosed regulatory plan identifying and describing each rule the Department of Transportation proposes to adopt this fiscal year, excluding emergency rules. A link to the plan has been placed on the Department's primary website homepage at: [www.dot.state.fl.us](http://www.dot.state.fl.us).

The Department takes its rulemaking responsibilities seriously and regularly reviews its rules to ensure that they are consistent with the agency's rulemaking authority and the laws implemented. The last comprehensive review of all Department of Transportation rules was concluded in June, 2015, but rules continue to be individually evaluated regularly.

Please let us know if any further information is needed from the Committee.

Sincerely,
