

FDOTSS3 Maintenance Release 1 (MR1) Hotfix 1 Installation Instructions

FDOTSS3 MR1 Hotfix 1 is a ZIP file that can be applied to either a Server installation, or a Stand-Alone Workstation installation. FDOTSS3 Maintenance Release 1 must be installed before the hotfix is applied.

UPGRADE EXISTING INSTALLATIONS

To upgrade an existing installation:

1. Download “FDOTSS3 MR1 Hotfix 1” from the FDOTSS3 CADD Software Downloads page at: <http://www.dot.state.fl.us/ecso/downloads/software/FDOTSS3CaddSoftware.shtm>
2. Extract the contents of the zip file into the \FDOTSS3 directory on the server or stand alone workstation

NOTE: When updating the FDOTSS3 directory, ensure that all clients have closed MicroStation and Electronic Delivery software before extracting the zip file. If any of the files in the FDOTSS3 directory are in use when the zip file is extracted they will not be updated properly.
