

A. Ramsdell Cone
718 Wedgewood Lane
Lakeland, FL. 33813

Cell: 813-690-4065
Email: raycandy@aol.com

Objective: To serve as a Disputes Review Board Member utilizing my 40+ years experience in the construction industry.

Employment

05/01 – 05/11 Tramway Constructors, Inc. Tampa, Fl.

Principal, Vice President, Secretary, Treasurer

Tramway was incepted by A. Ramsdell Cone and a partner in 2001. The company specializes in Construction Management, and Design/Build of Automated People Mover Guideways for airports. Recent projects included the Airside E AGP System located at the Tampa International Airport, Airside D to C AGP at the George Bush Intercontinental Airport in Houston, Texas, and Airside D AGP System at Tampa International Airport. Job profits ranged from 20% to 39%.

Responsibilities included corporate strategic planning, financial planning, bonding and loan negotiations, equipment procurement, lease negotiations, pricing and cost control, subcontractor and owner contract negotiation, and government liaison.

1997 - Present ARC Construction Services, Inc. Tampa, Fl.

Principal and President

ARC is a company incepted by A. Ramsdell Cone in 1997. Areas of expertise are Plan Reviews for owners and contractors, Business Troubleshooting, Dispute Resolution, Project Management, and Claims work. Served on over 120 Disputes Review Boards on Heavy/Highway projects.

9/79 – 10/97 Cone & Graham, Inc. Tampa, Fl.

Principal and President

Over the 18 years held a variety of positions within Cone & Graham, Inc. (formerly known as The Cone Corporation); a principal and owner within the company from 1983. Cone & Graham constructs Heavy/Highway projects within the State of Florida. Responsibilities included corporate strategic planning, real estate procurement, financial planning, equipment purchasing, lease negotiations, bonding and loan negotiations, pricing and cost control, subcontractor and owner contract negotiation, and government liaison. During the years as President of the company, Cone and Graham experienced explosive growth, increasing revenues from \$5 million per year to a high of \$35 million in 1997. Cone and Graham's scope of services include bridges, heavy earthwork, base, grading, drainage, water and sewer, pile driving, and concrete paving.

Notable Achievements

- 1991 Winner of the Outstanding Rural Project Award for the Skyway North Approach Project by FDOT and FTBA.
- 1997 Recipient of Meritorious Service Award from Florida Transportation Builders Association
- 94 – 97 Director of Florida Transportation Builders Association
- 97/98 Secretary of Florida Transportation Builders Association
- 98/99 Vice Chairman of Florida Transportation Builders Association
- 99/00 Chairman of Florida Transportation Builders Association
- 2/3/98 Attended and completed the Dispute Review Board Administration and Practice Workshop held in Boston, MA.

Education

- 8/77 Georgia Institute of Technology, Atlanta, Ga.
Bachelor of Civil Engineering

Letters of reference and construction project history may be obtained upon request.

Construction Project History

2004 Hillsborough County Aviation Authority (subcontractor to Bombardier Transportation)

Contract Amount \$7,801,064.00

Airside C Automated Transit Guideway at Tampa International Airport. Construction Manager for civil portion of the project. Responsibilities included scheduling, financial planning, bonding and loan negotiations, equipment procurement, lease negotiations, estimating and cost control, subcontractor and owner contract negotiation; liaison with prime contractor. Project completed 2 months ahead of schedule with net profit of 39%.

2004 City of Houston (subcontractor to Bombardier Transportation)

Contract Amount \$6,322,353.00

Airside D to C Automated Transit Guideway at the George Bush Intercontinental Airport in Houston, Texas. Construction Manager for civil portion of the project. Responsibilities included scheduling, financial planning, bonding and loan negotiations, equipment procurement, lease negotiations, estimating and cost control, subcontractor and owner contract negotiation; liaison with prime contractor. Project completed 2 months ahead of schedule with net profit of 20%.

2002 Hillsborough County Aviation Authority (subcontractor to AdTranz)

Contract Amount \$6,483,780.00

Airside E Automated Transit Guideway at Tampa International Airport. Construction Manager for civil portion of the project. Responsibilities included scheduling, financial planning, bonding and loan negotiations, equipment procurement, lease negotiations, estimating and cost control, subcontractor and owner contract negotiation; liaison with prime contractor. Project completed 6 months ahead of schedule with net profit of 30%.

1997 Florida Department of Transportation

Contract Amount \$30,000,000.00

2010 Contract Adjustment \$42,657,480.00

Florida Ave. and Nebraska Ave. Projects - Five separate projects in Tampa, Florida along these 2 roads consisting of widening existing facilities to 4 and 6 lanes. Projects had extensive storm drain systems, utility relocations, curb and gutter, limerock base work.

1997 Florida Department of Transportation

Contract Amount	\$38,675,000.00
2010 Contract Adjustment	\$54,992,602.00

Interstate 4 Widening and Reconstruction from I-75 to a point east of McIntosh Rd. in Hillsborough Co. – 5 miles reconstruction and widening of I-4 east of Tampa; dual bridges with large steel girders and AASHTO beams; extensive large precast concrete box culvert construction; 120 acre wetland mitigation construction; successful negotiation of \$1.2 million VECP; over \$2.5 million in change orders and extra work.

1995 Florida Department of Transportation

Contract Amount	\$2,500,000.00
2010 Contract Adjustment	\$3,861,368.00

Veterans Expressway over Waters Ave., Linebaugh Ave., CSX RR, Anderson Rd. Ramp – bridge subcontractor; large steel and AASHTO girders; 18' piling up to 130' long.

1992 Florida Department of Transportation

Contract Amount	\$2,248,810.00
2010 Contract Adjustment	\$3,577,952.00

Interstate 10 Bridge widening in Suwannee Co. – extensive inside and outside widening of 4 dual bridges upgrading to new federal safety guidelines; extensive MOT and night work.

1991 Florida Department of Transportation

Contract Amount	\$8,000,000.00
2010 Contract Adjustment	\$13,980,645.00

Interstate 275 from Sunshine Skyway to a point 1.3 mi. N., Pinellas & Hillsborough Cos. – 1 dual bridge; 400,000 cy embankment. Complex MOT scheme required due to complete new reconstruction within existing interstate footprint.

1990 Florida Department of Transportation

Contract Amount	\$1,299,301.00
2010 Contract Adjustment	\$2,270,633.00

Dale Mabry Highway Widening and Reconstruction at Interstate 275, Hillsborough Co. – over 7,000 sy 10” concrete pavement construction with joint sealing and repair. Most work accomplished at night due to intersection with interstate and traffic congestion.

1990 Florida Department of Transportation

Contract Amount	\$10,088,050.00
2010 Contract Adjustment	\$18,479,124.00

SR 580 over Old Tampa Bay, Pinellas Co. - 2 dual bridges of approximately 2,100 ft. over water utilizing barges and tug boats; one half mile of roadway work. A portion of the bay was too shallow for barges and a steel frame with wood mat “leapfrog system” was utilized.

1989 Greater Orlando Aviation Authority

Contract Amount	\$6,243,691.00
2010 Contract Adjustment	\$11,437,090.00

Airport taxiway bridges over new roadway at Orlando International Airport. Bridge was 100’ long, 200’ wide; consisted of steel beams; 53,000 LF 18” prestressed concrete piling; minor road bypass work.

1987 Hillsborough County Aviation Authority

Contract Amount	\$4,582,898.00
2010 Contract Adjustment	\$9,061,259.00

Airside F Sitework Package – Sitework preparation for new Airside at Tampa International Airport. 280,000 cy select embankment; large diameter (72” and 84” concrete pipe. Compressed contract time due to concern of owner over lost revenues; liquidated damages were \$20,000.00 per day; project finished on time and under budget.

1986 Florida Department of Transportation

Contract Amount	\$12,400,000.00
2010 Contract Adjustment	\$26,978,715.00

US 301 from 54th Ave. S. to Manatee Ave., Manatee Co. - original project scope consisted of one 1,200 ft. bridge over 26th Ave. and SCL RR (now CSX) tracks with 600,000 cy embankment. Owner added additional bridge and roadway. Heavily involved in negotiations to add 18% to the contract price.

1985 Florida Department of Transportation

Contract Amount	\$12,300,000.00
2010 Contract Adjustment	\$27,620,892.00

Interstate 275 from a point west of Bayshore Rd. to Sunshine Skyway Toll Plaza, Manatee Co. - Position was Project Superintendent/Project Manager. Project consisted of 1.1 million cy embankment, 3 bridges varying in length from 150' to 2200'. 2 bridges were over environmentally sensitive areas. One bridge is one of the few bridges ever constructed utilizing the "Top Down" Method because of these environmental concerns. This required erecting the bridge span by span, building the structure from the previously built superstructure. Another bridge employed the use of Type IV segmental girders.

1984 Florida Department of Transportation

Contract Amount	\$11,100,000.00
2010 Contract Adjustment	\$26,461,716.00

Interstate 275 from a point west of I-75 to a point west of Bayshore Rd., Manatee Co. – Position was Project Superintendent/Project Manager. Job consisted 1.2 million cy embankment, 6 bridges. Duties included scheduling, cost control, subcontractor negotiation, field operations, change order negotiation.

1984 Hillsborough County Aviation Authority

Contract Amount	\$2,195,203.00
2010 Contract Adjustment	\$4,578,445.00

Tampa International Airport Taxiway “W” – 7,000 cy of 16” and 6” concrete paving for runway; 42,000 tons of asphalt overlay.

1983 Florida Department of Transportation

Contract Amount	\$3,750,000.00
2010 Contract Adjustment	\$8,158,885.00

SR 776 Charlotte Co. – 3 bridges; one mile of roadway construction.

1982 Florida Department of Transportation

Contract Amount	\$934,000.00
2010 Contract Adjustment	\$2,097,386.00

SR 683 from US 301 to I-275, Manatee Co. – Project Superintendent/Project Manager. Mill and repave 8 miles of 2 lane roadway; 1 bridge with deck slabs and post tensioned deck slabs.

1981 Tampa Hillsborough County Expressway Authority

Contract Amount	\$8,045,000.00
2010 Contract Adjustment	\$21,157,178.00
