

Allen J. Thompson, P.E.

130 SW 8 St, Ste 200, Miami, FL 33130

Telephone: 305-854-4066 Facsimile: 305-854-7066

- Current Employer-Title** Thompson Martin Associates, Inc. – President
NCI Construction Co. - President
- Work History** President, NCI Construction, 1994-present; President, Thompson Martin Associates, Inc., 1987-present; Project Manager, Bechtel Group, 1962-87; Project Engineer, Norair Engineering. Corp., 1960-62; Field Engineer, C.H. Thompkins, 1959-60; Civil/Structural Designer, Buell Engineering, 1958-59; Field Engineer, Raymond International, 1956-58.
- Experience** Over 45 years of experience in construction and design of projects. Involved in providing project management and construction management services for commercial and industrial projects under \$500,000. Previously involved in providing construction quality control and inspection services as well as scheduling and construction claim support for institutional and commercial projects under \$10 million. Prior involvement was in the engineering and construction of nuclear and fossil power plants and petrochemical facilities including all the construction and permanent infrastructure required by urban and remote sites. Projects ranged in value from over \$100 million to \$2 billion. Previously involved in construction of a major museum building and a commercial office building, mechanical equipment design, and industrial construction. Has had experience mediating both domestic and international construction cases.
- Representative Cases Handled as Mediator** As a mediator, has handled cases involving owner/developer and contractor and general contractors and specialty subcontractors for claims involving issues of contracted scope of work, claims and counterclaims for change orders and improperly performed work, and for delays. Projects include condominiums, a steel mill, and commercial developments.
- Representative Cases Handled as Arbitrator** As a sole or panel arbitrator (occasionally serving as panel chairman), has handled cases involving issues of contract scope of work and claims and counterclaims for change orders, delays, acceleration, and improperly performed work. These types of cases have been both domestic and international. Parties involved included design professionals, owners (both private and public government entities), developers, builders, general contractors, subcontractors, specialty contractors, and suppliers. Project types include harbors and ports, hotel/resorts, restaurants, condominiums, highways, electric utilities, food and drug facilities, manufacturing facilities, residences, and stadiums/sport facilities.

- Multi-Party Dispute Resolution Experience** As a panel chair, handled an international dispute involving issues of contract scope of work, claims and counter claims for change orders, delays, acceleration, and improperly performed work on a stadium facility. Parties involved were a general contractor, suppliers, and erection subcontractor.
- Alternative Dispute Resolution Experience** Arbitrator and mediator since 1994. Served as sole arbitrator on cases managed under regular procedures and as a panel member on large complex cases. Served mostly on large complex domestic cases as panel member and chair, but has also served and chaired the panel on international cases. Has chaired the panel with two party-appointed arbitrators as well. Parties have included government agencies, owners, developers, design professionals, surety companies, general contractors, subcontractors, and suppliers. Projects have included a marine facility, hotels, shopping center, small residences, large luxury homes, condominiums, an electric utility, a food processing facility, a steel mill, and a sports stadium.
- Alternative Dispute Resolution Training** AAA Construction Industry Arbitrator II Training, Miami, 2/02; AAA Arbitrator Update 2001; attended Neutrals' Retreat, Orlando, 10/98; AAA Construction Industry Mediator Training, Seattle, 6/98; AAA Construction Industry Arbitrator Training, Fort Lauderdale, 3/97; AAA Fast Track Orientation, Miami, 5/96; AAA Construction Mediation Training for Non-Attorneys, Miami, 4/92; AAA Basic, Intermediate and Advanced Arbitrator Training, Miami, 4/92.
- Professional Licenses** Registered Professional Civil Engineer: Puerto Rico (# 003116), 1988; Florida (# 043151), 1990; Maryland (inactive); Mississippi (inactive); District of Columbia (inactive). Threshold Inspector, Florida (# 000992). UBCI Inspector, Florida.
- Professional Associations** American Society of Civil Engineers; National Society of Professional Engineers; Construction Specifications Institute.
- Education** The Citadel (BS, Civil Engineering-1956).
- Publications and Speaking Engagements** Guest lecturer, The International Law Institute, Washington, 1986.
