

# Plans Request

Prior to firms being short listed all requests must go thru Allison Eldridge with our Legal department. The email address for making Public Records Request is [d1.publicrecords@dot.state.fl.us](mailto:d1.publicrecords@dot.state.fl.us)

If you want a set of plans you must fill out and forward the Plans Request Form (050-020-26) to Allison.

If you want to view plans, you will need to make an appointment with the Design Project Manager to do so.
