Subject: 3 Digit Code

Out of the Contract Admin Training was a suggestion to come up with a place holder for the Three Digit funding Codes, To be shown in Sitemanager or CIM.

The Codes are now shown in the Description Column after the SR#, see screen shots below.

(FAO) – Federal Aid Oversight

(EXN) – Exempt Project - On the National Highway System

(EXO) – Exempt Project - Off the National Highway System

(STA) – State Project no Federal Funds

The screenshot shows the AASHTO SiteManager application window. The title bar reads "AASHTO SiteManager". The menu bar includes "File", "Edit", "Services", "Window", and "Help". The toolbar contains various icons for file operations and help. The main window is titled "Contracts" and has several tabs: "Description", "Location", "Payment Data", "Critical Dates", "Primary Personnel", "Prime Contractor", and "DBE Commit". The "Description" tab is active, displaying the following contract details:
