RE: Cost Savings Initiative
Financial Project No. 425277-1-52-01 & 425277-2-52-01
Federal Aid Project No. 01021491 & 01021501
Contract No. T3360
Description: SR 8 (1-10); From Walton Co Line to the Choctawhatchee River Bridge and From a Point East of CR183 Overpass to the Holmes County Line County: Holmes and Walton

Dear Mr. Strickland:

Per the Contract Documents, Supplemental Specifications 4-3.9, Cost Savings Initiative (CSI), a Workshop will be held, prior to construction time beginning, for the Contractor and the Department to discuss any ideas that could result in reducing the cost of the project, reducing contract time, increasing the cost effectiveness of the project, or improving the quality of the project. The Department, at its sole discretion, may delay the start of construction at the beginning of a contract for the purpose of a CST Proposal development and review.

The CSI Workshop can be eliminated only if agreed to by both the Department and the Contractor. Please print and complete the attached form for signatures and return to me as soon as possible.

Please contact me if you have any questions.

Sincerely,

Name of Project Manager
Title
