RE: Aqua Kure White
Project: SR 595 (Alt US 19), Pinellas County
FIN Project # 4003725-52-01

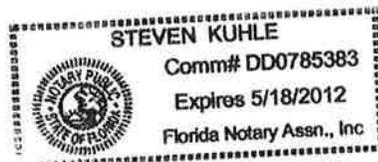

To Whom It May Concern:

Lambert Corporation of Florida certifies that **Aqua Kure White** curing compound meets the requirements of the project specifications. **Lambert Corporation** further certifies that **Aqua Kure White** curing compound is produced by **Lambert Corporation** in conformance with National Transportation Product Evaluation Program (NTPEP) and American Society for Testing and Materials (ASTM) C-309, for Type I dissipating curing compounds as evidenced by the FDOT and NTPEP labels applied to the product containers.

Product data and MSDS literature for **Aqua Kure Clear** is available on our website at www.LambertUSA.com. I hope this correspondence resolves your issue. If you have any further concerns, please call at your convenience. Thank you.

Sincerely,

Steve Meyer, President
Lambert Corporation

STATE OF FLORIDA, COUNTY OF ORANGE

On this 16th day of June, 2011, I attest that the preceding statement or attached document is a true, exact, complete, and unaltered photocopy presented to me by the document's custodian, Steve Meyer, and, to the best of my knowledge, that the photocopied document is neither a public record nor a publicly recordable document, certified copies of which are available from an official source other than a notary public.

Steve Kuhle, Notary
