approval of requested Providers and Instructors. See Chart:

- Y = Recommend for Approval
- N = Not Recommended for Approval
- N/A = Not Applicable

We reviewed Jeffrey Cole submittal and verified with him that he is not requesting to be an instructor in Concrete at this time.

- The next order of business was to discuss the response from Tallahassee on the Team's questions
- Next item for discussion on the notification of the recommendation of the Review Team to the Instructors
- The next item was on the Concrete Batch Plant Operator Study Guide. Training is already taking place and guide is available. Item has been resolved.
- The discussion turned to the new CTCI class. The team will be working on a rewrite recommendation to Tallahassee on the CTQM qualifications to make sure that we are meeting all requirements that were discuss with SCO and FTBA.

ACTION ITEMS:

1. Ronda will send out CTQM section 4.5.1 on dates of expiration for review and response at next meeting.
2. Ronda will follow up on recommendation of notification of instructors.
3. Mike will send recommendation to team on Level II on revision recommendation to CTQM for review and comment by end of March.

The next Concrete TRT Meeting will be on June 20, 2007 at the Turkey Plaza, Building 5317, Room 4101 from 10 AM to 12 PM

Meeting adjourned at 11:10 AM
