Professional Engineer /
Pennsylvania # 17090E

Overview

Mr. Wegman has resigned as Vice President for URS's Construction Engineering Inspection (CEI) Group effective 1-08-10. Prior to joining URS, Mr. Wegman was the Turnpike District Construction Engineer. He was responsible for Construction and CEI contracts for a statewide toll road construction program. Construction volumes varied from \$10 to \$20 million per month. Mr. Wegman was also responsible for construction quality, claim settlement, contract payments and administration of FDOT, general consultant, and CEI staffs. Other representative experience includes:

Project Specific Experience

I-595 Port Everglades Expressway: Responsible for preconstruction planning, Maintenance of Traffic (MOT) studies, bid and award, management of field engineering and construction, problem resolution, claim analysis and contract close out. Total contract value was \$110 million.

Dade County Transit Program: Administered the manufacturing and erection of \$60,000,000 girder contracts for 20.5 mile elevated rapid transit system. Assigned duties relative to Post Tensioned Pier Cap repairs, Pier Cap construction, reviewing shop drawings, Construction deficiency resolution, post-tensioning problems, precast concrete problems.

Nine Mile 2 Nuclear Construction Contract: Managed major nuclear construction contracts in excess of \$100,000,000 from proposal stage through life of contracts. Directed pre-bid meetings, controlled scope of work, initiated change orders, performed cost estimates, reviewed documents for contractual compliance, approved contractor payments, monitored budget and provided direction of contractors. Demonstrated ability in contract negotiations, client liaison, daily contact with project management and quality control.
