Re: Resumes for FDOT Candidate DRB Members

Dear John:

I received your letter of Feb. 18th suggesting that previously submitted resumes for persons listed candidates for the FDOT Dispute Review Board should be reviewed for applicability and currency. That advisory is appreciated.

Accordingly, please accept the attached revised resume for myself.

My home phone number remains 912-228-6464; my FAX number is 912-228-5894; and my E-Mail address is <gherndon@rose.net>.

Sincerely,

George W. Herndon

George W. Herndon
Transportation Consultant

Mr. Herndon has an extensive background in highway administration. His experiences include :

Joined the Florida Department of Transportation in mid-1974 and served through his retirement in January, 1998.

The last eight years of his tenure with the FDOT were spent in the Office of the State Highway Engineer where he:

* Managed the annual legislative program for the State Highway Engineer.

* Represented the FDOT on Intelligent Transportation System (ITS) projects for Commercial Vehicle Operations (CVO) and managed the Department's installation of, and participation in, the Advantage I-75 electronic screening project for trucks.

* Was very successful in bringing together diverse groups, especially in the area of advancing technologies and served as the chairman of the Department's Telecommunications Act (TCA) Task Force which was charged with developing TCA policies for the Department especially as related to installation of commercial wireless towers to be installed on FDOT ROW.

* Represented the Department and AASHTO on the Institute for Electronic and Electrical Engineers (IEEE) task force to develop national standards for CVO and automated toll applications of radio transponder systems.

* Served over seven years as the Department's designated Administrative Hearing Officer for persons seeking relief from fines imposed for violations of commercial motor vehicle laws.

Additionally, Mr. Herndon:

Served in various planning capacities prior to moving to the Office of the State Highway Engineer.

Is a registered neutral with the State of Georgia for both General Mediation and Arbitration.

Is a member of the Institute of Transportation Engineers (ITE).

Upon retirement, Mr. Herndon received the "Rofle Mickler Award" for his support of the Department and its goals and his significant contributions to state government.

Prior to joining the FDOT, retired from the U.S. Army (Regular Army) as a Lieutenant Colonel, Ordnance Corps following over 20 years service.
