

How to Obtain and Use a Digital Signature

- **What is ACES? ... Access Certificates for Electronic Services**
- ACES is a program created and sponsored by GSA to facilitate secure on-line access to government information and services through the use of Public Key Infrastructure and digital signature technology. ACES was created to secure electronic transactions between Business to Government and Consumer to Government. Agencies can enable government applications to require an ACES Digital Certificate which has Identity authentication with "real time" validation of Digital signatures for submission of electronic forms.

How to Obtain and Use a Digital Signature

This presentation/training will cover:

- How to Request a Digital Signature...
through AARF
- How to Obtain an ACES Digital Signature ...
through IdenTrust
- How to use...

How to request through AARF

The image shows a screenshot of the DOT INFONET website. At the top left is the logo for the State of Florida Department of Transportation. The main header is "DOT INFONET" in large blue letters. Below the header are several navigation links: "E-mail", "Enterprise Applications", "Enterprise Information Portal", "Help", "Mainframe", "Offices", and "Search powered by 'Google Search Appliance'". An orange arrow points from the "Enterprise Applications" link to a section titled "OIS ENTERPRISE APPLICATIONS". This section has a blue header with "Documentation" and "OIS Offices" tabs. Under the "OIS ENTERPRISE APPLICATIONS" header, there is a sub-section "Web Applications" with a list of links: "AARF Automated Access Request Form", "Award Nomination and Review more", "BMSCI (Bridge Management System Clearance Issues) more on BMSCI", "BQA (Bid Questions and Answers Enterprise System) more on BQA", "CIM (Contract Information and Monitoring) more on CIM", "CITS (Consultant Invoice Transmittal System) more on CITS", "Contact Mailer more on Contact Mailer", "Contact Management more on Contact Management", and "CP (Contract Procurement)".

How to request through AARF

The image shows a screenshot of the Florida Department of Transportation's Automated Access Request Form (AARF) website. The page features a blue header with the FDOT logo and navigation links: Home, Create Request, Pending Requests, Search, and Help. The main content area contains a welcome message and instructions. A browser window is overlaid on the page, showing the same AARF interface with a dropdown menu open under 'Create Request'. The dropdown menu includes options: New User / Account, Name Change, Access Change (highlighted with a red arrow), Transfer Access Change, Termination, and Other Request Types. The FDOT logo and 'Office of Information Systems' text are visible at the bottom of the page.

 [\[Attach Printed Form\]](#)

Cancel **< Modify Request** **Approve and Submit to Supervisor**

[Request Summary](#)

The request will be sent to the supervisor of the individual requesting the certificate. Once the supervisor approves the request, AARF will send it to the cost center manager. Once the cost center manager approves the request, AARF will send it to the security coordinator for final approval. Once all approvals are complete, the Office of Information Systems will issue the voucher so you can purchase the digital certificate from IdenTrust. The voucher issuance can take up to 48 hours.

Add a justification:

Ex: To sign electronic documents without the need for printing and scanning. To improve document delivery and system efficiency. To reduce cost.

Select "Approve and Submit to Supervisor"

Cc: Croft, Mark

Dear Erik Padron (CN606EP)

Your IdenTrust voucher is ready for delivery. The voucher information will be sent to you via the Department's FTA facility. The number provided will be used to acquire your digital certificate.

To complete your online application, please use the following link, follow the prompts and enter the voucher number as payment: <http://www.identrust.com/fdot/index.html>

Questions regarding this process can be directed to me. If you have any questions or experience any problems with your voucher(s), please contact IdenTrust Customer Support at 888-882-1104, 6:00 a.m. to 6:00 p.m. MST.

Regards,

Tom Trunda

How am I doing? Please contact my supervisor, Wilson Dilmore at wilson.dilmore@dot.state.fl.us with any feedback.

FDOT - Professional Licensure Digital Signing and Sealing

FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT)

Professional Licensure Digital Signing and Sealing

FDOT will begin using PKI based digital signatures on selected pilot projects.

Laws & Rules set by the [Florida Board of Professional Engineers](#) in Florida Statutes 471 and as implemented in Florida Administrative Code 61G15-23 allow Florida Professionally Registered Engineers to use digital signature for signing and sealing documents that are delivered electronically. Other professions are directed to their respective Boards of Professional Regulation for rules concerning the use of digital signature. The digital certificates can be purchased from IdenTrust Services, LLC using the links below. Both FDOT staff and consultants can purchase the digital certificates from IdenTrust. Consultants will be responsible for purchasing their own certificates. Signatories may utilize Adobe Acrobat 9 (or newer), Bluebeam 10 (or newer), or other equivalent software as the signing solution to place the seal and digital signature in PDF files and recommend consultants use the same for consistent, predictable and repeatable (CPR) results.

FDOT recognizes the need for entities, citizens, and public employees to interoperate with the department for the purpose of conducting business electronically. The agency will be using IdenTrust Services to provide such persons and entities with X.509 v.3 Digital Certificates. The digital certificates will be managed and controlled by IdenTrust Services as part of the Access Certificates for Electronic Services (ACES) program. IdenTrust Services, LLC will supply Certificate Authority (CA) service to entities and citizens located within or desiring to interface with the department in a Public Key Infrastructure (PKI).

- › IdenTrust digital certificates are NIST Level 3 assurance for verifying your identity.
- › IdenTrust digital certificates can support images of signatures or seals and instructions are included under "Related Content" on the right side of this page.
- › IdenTrust digital certificates can be applied using PDF software (purchased separately).

Please note: **ONLY THE SUBSCRIBER OF THE CERTIFICATE SHOULD HAVE EXCLUSIVE USE - THE DIGITAL CERTIFICATE IS YOUR FORM OF IDENTIFICATION, SIMILAR TO YOUR PASSPORT OR DRIVERS LICENSE.** Under the GSA Certificate Policy, it is our responsibility as an Authorized Certificate Authority to revoke the certificate in a case of loss or disclosure of the private key (Passphrase) to anyone other than the subscriber.

ACES Digital Certificate:

Access Certificates for Electronic Services (ACES)			
CERTIFICATE TYPE	SUBSCRIBER	PURPOSE/USAGE	COST

Getting Your ACES Business Representative Certificate

ACES Business Representative Certificate Application

OMB NO: 3090-0272

Application Step 1 of 8 » Overview » Organization » You » Password » Agreement » Payment » Form » Done

Getting Your Business Representative Certificate is as EASY as 1 – 2 – 3

1 - Apply

Complete the Online Application - Start Below. Please note that ACES policy requires that this application be completed by the applicant only. A certificate applicant cannot ask another person complete this application on his/her behalf.

2 - Send Forms

Complete and send your Authorization & Identification Forms – You will get these at the end of this Online Application.

3 - Get Your Certificate

After we have verified and approved your application, we will send information to download your certificate. Verifications generally take 3 to 5 business days from the day we receive your Authorization and Identification Forms.

Before you begin your application, have the following ready:

- Organization's Full Name and Headquarters Address
- Dun & Bradstreet D-U-N-S Number (optional)
- Payment method information: Credit Card, Order Number or Voucher Number

You have accessed a U.S. Government sponsored computer system. Unauthorized use may be punished by fines or imprisonment.

ALSO NOTE: IF YOU WILL BE USING YOUR CERTIFICATE WITH THE D-TRADE PROGRAM (DIRECTORATE OF DEFENSE TRADE CONTROLS), YOU WILL NEED A DIFFERENT CERTIFICATE. PLEASE CLICK [HERE](#) TO APPLY FOR THE CORRECT ACES CERTIFICATE.

OMB NO: 3090-0272

Application Step 2 of 8 » Overview » **Organization** » You » Password » Agreement » Payment » Form » Done

Let's Find Your Organization

E-mail and Postal Code

Your organization may already be registered. If it is, you only need to search and choose it from the list.

*Indicates required fields

E-mail Address*

Headquarters Postal Code*

Note: Please enter the postal code for your **organization's headquarters**. If you do not work at the organization's headquarters, this postal code may be different from that of your local office.

Your headquarters address is the address recognized as your organization's national headquarters.

Example: You might work at the South Valley branch of a bank; however, the headquarters address would be where your national office is located.

Remember Your Passwords

Here at IdenTrust, we are often contacted by people who have forgotten their passwords. We will always try to help. Unfortunately, in many cases, there is nothing we can do, and you, the customer, will have to start over to apply for a new certificate.

There are two passwords you will need to remember:

Account Password

Next, you will create your Account Password with Secret Questions and Answers. This password will be used to download your certificate after your application is approved. If this Account Password is forgotten, you may reset it using Your Secret Questions and Answers.

If you are unable to recall the Answers to your Secret Questions, you will have to start over and apply again.

Browser Key Protection Password

After your application is approved and you are downloading your certificate, you will have an option to select "High" security to create this password to protect your certificate. This password is used each time you use your certificate.

If you forget this private key password, you will need to replace your certificate from the IdenTrust Certificate Management Center.

ACES Business Representative Certificate

Print only what is needed

The instructions and terms/conditions must be read but do not need to be printed. Please print only the pages you need to send to IdenTrust. For most applicants, this includes two pages; Part 1: Sponsoring Organization Authorization Form and Part 2: Notary Form.

IdenTrust
WE PUT THE TRUST IN IDENTITY

ACES DIGITAL CERTIFICATE PROGRAM Business Representative Certificate

Instructions for Applicant

Thank you for choosing IdenTrust Services, LLC ("IdenTrust"), a subsidiary of IdenTrust, Inc., to issue you an ACES Business Representative certificate. ACES Business Representative certificates are issued to individuals such as employees, officers, and agents authorized to act on behalf of business entities that have been validated by IdenTrust.

Enrollment for an ACES Business Representative Certificate requires that you complete and return the following forms:
1. Part 1 – Sponsoring Organization Authorization Form
2. Part 2 – Notary Form

The following steps provide instructions on requirements in completing these forms. For reference, a glossary of terms is found in [Part 4-Definitions](#) of this document, defining terms used on these Authorization Forms.

Step 1: Online Application

Apply for your ACES Business Representative Certificate at: http://www.identrust.com/certificates/buy_aces_business.html
You will be prompted to download the necessary forms at the end of the online application.

Step 2: Sponsoring Organization Authorization Form

Complete and Sign **Part 1 - Sponsoring Organization Authorization Form**. Take it to an officer in your Organization who can sign on behalf of your Organization and represent to IdenTrust that you are a duly-authorized representative of the Organization and that it agrees to be bound by the terms described in Part 3 - Certificate Agreement for Organization. Have the officer sign Part 1 - Sponsoring Organization Authorization Form and return it to you for submission to IdenTrust.

Step 3: Notary Form

Complete and Sign **Part 2-Notary Form**. Take this form to a licensed Notary employed by your Organization or by a financial institution (most banks have notaries on staff) to verify your identity credentials. You have two options for presenting your ID:

Option 1 - ~~one~~ Federal Government-issued photo ID

Option 2 - ~~two~~ forms of ID issued by a state or local government, of which one must be a photo ID.

All forms of ID must be verifiable. Examples of acceptable forms of ID are as follows:

Federal Government-issued Photo IDs

- o Passport
- o Federal Employee ID card
- o US Military Photo ID
- o D+D CAC Card
- o Certificate of US Citizenship (w/ photo)

State or Local Government-issued Photo ID

- o State-issued Driver's License
- o State-issued ID Card
- o Student ID from a State College or University

Other acceptable forms of ID

- o Original or Certified Copy of Birth Certificate
- o Social Security Card
- o Concealed Weapons Permit
- o State-issued Pilot's License

Other official forms of ID will be considered on a case-by-case basis provided that they meet the above requirements.

Note: Please ensure that all information matches the information you submitted in the online application, including Subscriber information and Organization information.

Step 4: Send Forms to IdenTrust

For your records, make a copy of your Part 1 and Part 2 forms, then send the signed (ink-on-paper) originals to IdenTrust.

US Mail, FedEx, UPS, Etc.

ACES Registration
IdenTrust Services
5225 Wiley Post Way
Suite 450
Salt Lake City, UT 84116-2898

If you should have any questions during the process and would like to speak with a customer service representative, please call (888) 339-8904 or by email at helpdesk@identrust.com

IdenTrust Registration ♦ 5225 Wiley Post Way ♦ Suite 450 ♦ Salt Lake City, UT 84116-2898

Your forms should look like these

ACES Business Representative Certification Application

Step 7 & 8

Finalize the Application Process for your Personalized Certification.

- The Forms that you saved will include your information within the PDF.
- To complete your application, you will need to **confirm your email** (using code within the email sent to you + sign-up password) **AND complete and mail:**
 - **Part I** – Sponsoring Organization Authorization Form
(The “Organization Officer” is your Cost Center Manager)
 - **Part II** - Notary Form
(The two IDs will be your FL Drivers License, and your FDOT ID)

• **Type in the information and Print both Forms. The following slide will have examples..**

• Then get **Part I signed**, and **Part II Completed by the FDOT Notary**. If you don't know your Notary, see April Presley in D6 Construction.

• **Mail both Forms to IdenTrust**

***See the ACES Business Representative Certificate – Forms Packet for complete instructions, search the site for help, or contact**

ACES Business Representative Certification Application

Step 7 & 8

Finalize the Application Process for your Personalized Certification.

•**Mail both Forms to IdenTrust**

***See the ACES Business Representative Certificate – Forms Packet for complete instructions, search the site for help, or contact**

RETRIEVING A CERTIFICATE FAQ's

Support > Most Popular: Retrieval

Once we have approved your application for a certificate, we will send you an approval letter by US mail; the approval process usually takes about 3-5 business days. You can then retrieve your software certificate by following the directions in the letter.

Select from these frequently asked questions about retrieving your certificate:

- 1. [How do I retrieve my software certificate?](#)
- 2. [Can I use my certificate on any computer?](#)
- 3. [Can I retrieve my certificate a second time?](#)

For additional help look at the **Frequently Asked Questions page. FAQ**

1. How do I retrieve my software certificate?

You will be able to retrieve your certificate only after your application has been approved and you receive your approval letter in the mail. The letter will contain the retrieval website address and an activation code. You will use these, along with the **passphrase** that you created during the application, to retrieve your certificate.

We recommend that you use Internet Explorer 7 or above to install your certificate. The certificate cannot be retrieved by MSN, Google Chrome or AOL browsers.

Instructions for retrieval:

- 1. Go to www.IdenTrust.com/get-cert.html
- 2. Click "Next"
- 3. Enter your activation code and passphrase (The activation code is on the letter that was mailed to you.)
- 4. Follow the onscreen instructions until you get to the congratulations screen

Your certificate is now installed on your machine and ready for use.

2. Can I use my software certificate on any computer?

You create the certificate in a browser on your computer when you retrieve it. It can only be used on that computer (in that browser) unless you **export** it to another computer (or browser). If you have retrieved your certificate on one computer and would like to use it on another computer (or browser) as well, you will need to **export** the certificate and then **import** it to the other computer or browser.

3. How do I retrieve my software certificate a second time?

As a security measure, your activation code is valid for only one use.

If your computer has had hardware or software problems and your certificate has been lost or corrupted, you will need to **replace** your certificate.

If you wish to use your certificate on another computer, you will need to export your existing certificate to that computer. Please see question 2 ([Can I use my software certificate on any computer?](#)) above.
