

LIST OF ATTACHMENTS

CHAPTER 1 - CONSTRUCTION TRAINING AND QUALIFICATION ADMINISTRATION

Attach. No.

FDOT Construction Training Application Form (Form No.: 700-000-07)	1-1
List of Work Related Experience (Form No.: 700-000-06)	1-2

CHAPTER 2 - AGGREGATE TECHNICIAN TRAINING AND QUALIFICATION PROGRAM

Aggregate Field Testing Technician Qualification Flowchart	2-1
Aggregate Laboratory Testing Technician Qualification Flowchart	2-2
Qualified Sampler Technician Qualification Flowchart	2-3
LBR Qualification Flowchart	2-4
Aggregate Chemical Analyst Qualification Flowchart	2-5
Video Viewing Certification, (Form No.: 700-000-08)	2-6
Aggregate Field Testing Technician Training Course	2-7
Aggregate Laboratory Testing Technician Training Course	2-8
Qualified Sampling Technician Qualification Training Course	2-9

CHAPTER 2 (continued)

Attach. No.

LBR Technician Qualification Training Course	2-10
Aggregate Chemical Analyst Training Course	2-11
CTQP Qualification By Job Function	2-12

CHAPTER 3 - ASPHALT INSPECTION TRAINING AND QUALIFICATION PROGRAM

Asphalt Paving Level I Qualification Flowchart	3-1
Asphalt Paving Level II Qualification Flowchart	3-2
Asphalt Plant Level I Qualification Flowchart	3-3
Asphalt Plant Level II Qualification Flowchart	3-4
Asphalt Mix Designer Qualification Flowchart	3-5
Asphalt QC Manager Qualification Flowchart	3-6
Asphalt Paving Level I Training Course	3-7
Asphalt Plant Level I Training Course	3-8
Asphalt Plant Level I Training Course Proficiency Examination	3-9
Asphalt Mix Designer Course	3-10
CTQP Qualification By Job Function	3-11

CHAPTER 4 - CONCRETE TRAINING AND QUALIFICATION

PROGRAM

Attach. No.

Concrete Field Technician Level I Qualification Flowchart	4-1
Concrete Field Technician Level II Qualification Flowchart	4-2
Concrete Laboratory Technician Level I Qualification Flowchart	4-3
Concrete Laboratory Technician Level II Qualification Flowchart	4-4
Concrete Batch Plant Operator Qualification Flowchart	4-5
ACI Concrete Field Testing Technician Grade I Certification Training Course	4-6
ACI Concrete Transportation Construction Inspector (CTCI) Requirements	4-7
ACI Concrete Transportation Construction Inspector (CTCI) Training Course	4-8
ACI Concrete Strength Testing Technician Certification Course	4-9
ACI Concrete Laboratory Testing Technician Grade I Training Course	4-10
CTQP Qualification By Job Function	4-11

CHAPTER 5 - EARTHWORK TRAINING AND QUALIFICATION PROGRAM

	<u>Attach. No.</u>
Earthwork Inspection Level I Qualification Flowchart	5-1
Earthwork Inspection Level II Qualification Flowchart	5-2
ECI Level I Training Course	5-3
ECI Level II Training Course	5-4
CTQP Qualification By Job Function	5-5
