**This memo has expired**

**MEMORANDUM NO. 34-99**

**TO: DISTRICT CONSTRUCTION ENGINEERS**

**FROM:** Charles W. Goodman, Construction Engineer

**COPIES:** Greg Xanders, Archie Montgomery, David Wang

**SUBJECT: FINAL STRAIGHTEDGE**

District Five's plan for straightedging a final surface course by construction staff is attached for your review.

With the deletion of the 30-day cure, District Five found this method insures timely straightedging.

You may want to consider this for your District.

Should you have questions, please advise.
