Question	Response
<p>Can a link for or a copy of the comp book for this project be provided for our review?</p>	<p>Answer Posted on 11/21/2011 @ 8:33AM: The computation book is not obtainable at this time prior to the letting for this project. The awarded bidder may request the computation book at the Preconstruction meeting from the Project Administrator and can be made available at that time. However, the Department does not provide the comp book prior to bidding.</p>
<p>There are bicycle markings that are shown on the plans and I do not see any reference depicting a method to place said markings. In section 17347 (BICYCLE MARKINGS) of the design standards on sheet 1 of 4 it says all pavement messages shall be preformed thermoplastic. Is this the case or are we allowed to use a different method?</p>	<p>Answer Posted on 12/1/11 @ 11:10am: The contractor is directed to Special Provision 2-4 Examination of Contract Documents which states that Questions posted to this site before 5:00 P.M. For questions posted after these times, an answer cannot be assured. For all questions posted before the deadline, the Department will provide and post responses at the same website before 8:00 A.M.
