District Two Office

1109 South Marion Avenue
 Lake City, FL 32025-5874
 Phone Number: 386/961-7416
 Fax: 386/961-7849

Proposal Number: T2389 42447215201

Question	Response
<p>According to the plans the pavement surface is to be milled to the depth of 4 1/2 inches. Then two (2) structural courses of 1 1/2 inches each followed by the friction course of 1 1/2 inches. But there are no pay items for temporal pavement markings other than temporary RPM's (0102-78), & White & Yellow Island Nose Paint (0710-11-190 & 290). The pay item summary is completely void of any other pavement markings, other than 0710-90 which is for "Final Surface Markings only. Shouldn't there be pay items to cover the pavement markings on the bases courses?</p>	<p>5/11/2011 8:50 AM The intent is to have the temporary paint paid for under pay item 102-1 Maintenance of Traffic (LS).</p>
<p>The pay items for painted pavement markings on the intermediate lifts of asphalt are missing. However, the temporary RPMs are included. Will FDOT issue an addendum or change order to add these missing items?"</p>	<p>5/18/11 4:27 PM -- The intent is to have the temporary paint paid for under pay item 102-1 Maintenance of Traffic (LS).</p>
<p>5/18/11 5:00 PM - Question Period Closed</p>	<p>5/18/11 5:00 PM - Question Period Closed</p>
