Question:	301: A review of the SFWMD permit; page 3 of 6 paragraph 14 says prior to construction activities the site shall be surveyed for presence of Big Cypress Squirrel nests more specifically in Exhibit 3.5 (pg 73 of 86) it states the "Contractor shall include in the LS bid of the project all costs associated with wildlife surveys, monitoring of nest sites, const sequencing to avoid active nest sites and other mitigative measures." Is the intent of the department to have the contractor include those costs associated with said survey and subsequent monitoring (if applicable) described and as defined under Supplemental specifications sub article 7 -2.1 on page 9?	Posted:	4/20/2012 11:00:34 AM

Answer: No, it is not the intent for the contractor to include costs in their bid for monitoring of nest sites or wildlife surveys. The Department will take responsibility for these items.
