Question: 8683: Concrete flatwork will need to be removed from the project. Normally there is a bid item 0110-4, Removal of Existing Concrete Pavement for this cost. There is no Pay Item/Plan Note that directs to include the removal of the existing concrete flatwork into the 110-1-1 Clear & Grub bid item. Request the addition of bid item 0110-4 Removal of Existing Concrete Pavement to the proposal; or are we to include this cost into the Clearing & Grubbing bid item? Posted: 11/26/2014 12:03:00 PM
