

Bid Questions and Answers Report

Date & Time: 5/21/2015 3:54:59 PM

District Address: District 1 Construction Office, located at 801 N Broadway, Bartow, FL 33830

District Phone: (863) 519-2222

Proposal: T1611

Project: 433402-1-52-01

Letting Date: 5/20/2015

Location: CENTRAL OFFICE

Description: SR 60

Question: 10384: On page 4 of the plans, typical section 1 shows 3' of subsoil excavation below the existing base. This will create a 4' vertical excavation adjacent to the travel lane. This is a very unsafe condition. Can the District add a critical sheet pile wall with design and barrier wall for this typical section? Posted: 5/14/2015 7:59:29 AM

Answer: Questions posted to this site before 5:00 P.M. (EST) on the seventh calendar day prior to the bid opening, or tenth day prior to the December bid opening will be responded to by the Department. For Questions posted after these times, an answer cannot be assured. Status: ANSWER PUBLISHED
