Question:	13326: If the Contractor does not use BDI Subcontractor's in his bid will the bid be non-responsive?	Posted:	2/15/2016 10:38:46 AM
Answer:	For Contracts reserved for small businesses in accordance with eh Department's Business Development Initiative Plan, the sublet work must be contracted to a small business or businesses as defined by the Department. As per Specification 8-1, the Contractor is required to provide a written request to sublet work on the Certification of Sublet Work form. With this form, include the Subcontractor's notarized Small Business Affidavit Form provided by the Department prior to the start of work.	Status:	ANSWER PUBLISHED

Bidders  
Bidders must complete and submit the Small Business Affidavit (Form No. 275-000-01) for approval prior to receipt of bid documents.

The form may be accessed at:  
<http://www.dot.state.fl.us/ccadmin/forms/forms.shtm>

It is only necessary to submit the Small Business Affidavit (SBA) form once per year.  
Send a completed and notarized affidavit as an attachment to:  
[fdot.bdi@dot.state.fl.us](mailto:fdot.bdi@dot.state.fl.us).  
Bidders must submit the BDI Reference Sheet (Form No. 275-000-02) with the bid.

Subcontractors- Prior to the subcontractor start working on a project, the Contractor is required to receive approval from the Department on the use of a particular subcontractor. The subcontractor can not be on the Contractor's suspension report and the prime can not subcontract greater than 60% of the original contract work. And on BDI projects, the sublet form needs approved BDI form to be included in the package.

Basically, there are very few sublet rejections.
