Florida Department Of Transportation
 Notice To Contractors / Consultants:

The Department of Transportation is soliciting contracting and consulting services for the Design/Build projects identified below. Qualified Design-Build firms must submit a letter of interest, for each project in which they are interested, to the indicated requesting unit by the time and date indicated as the Response Deadline. It is the responsibility of the Design-Build firm to insure that the complete letter of interest is received timely.

QUALIFICATION REQUIREMENTS: Design-Build firms must be qualified in accordance with Rule Chapter 14-91, Florida Administrative Code. Design-Build firms shall satisfy the technical qualification requirements of Rule 14-75, and all qualification requirements of Rule Chapter 14-22, Florida Administrative Code. The Contractor or Joint Venture must be qualified in the advertised Construction Contractor Work Classes. The Contractor or Joint Venture cannot utilize subcontractors to meet the qualification requirements for the Construction Work Classes. The Design Consultant may utilize subconsultants to meet the advertised Professional Services Work Type requirements. All qualification requirements must be met prior to the Response Deadline. Two or more qualified parties submitting as a Joint Venture must meet the Joint Venture requirements of Rule Chapter 14-22, specifically Rule 14-22.007, Florida Administrative Code. Parties to a joint venture must submit a Declaration of Joint Venture, Form No. 375-020-18, and receive approval from the Department prior to the Response Deadline for letters of interest or submittal of proposal, whichever occurs first.

CONSULTANT ELIGIBILITY: It is a basic tenet of the Depart-

ment's contracting program that contracts are procured in a fair, open, and competitive manner. The Department requires that consultants representing the Department must be free of conflicting professional or personal interests. In order to prevent potential conflicts of interest, the Department has established guidelines to be followed by design consultants. Please familiarize yourself with the requirements of Procedure No. 375-030-006, also known as: "Restriction on Consultants' Eligibility to Compete for Department Contracts". By submitting a letter of interest or bid proposal as part of a Design-Build firm, or Joint Venture, the design consultant certifies that they are in compliance with Procedure No. 375-030-006. This procedure is available at the following link:

[Professional Services Publications Menu](#)

A Proposal Guaranty of not less than five percent(5%) of the total actual bid in the form of either a certified check, cashier's check, trust company treasurer's check, bank draft of any national or state bank, or a Surety Bond made payable to the Florida Department of Transportation must accompany each bid in excess of \$150,000. A check or draft in any amount less than five percent(5%) of the actual bid will invalidate the bid. Bid bonds shall conform to DOT Form No. 375-020-34 furnished with the Proposal

For those projects designated as **ADJUSTED SCORE TYPE**, letters of interest must be submitted by the end of business on the date indicated below. The letters of interest will be limited to the page limit indicated below and will clearly indicate a name, address, phone number, and e-mail address for a contact person; the key companies and personnel proposed as participating in the project; and the qualification status of the contractor and design consultant as part of the Design-Build firm. The Department will judge the relative ability of each submitting company to perform the required services based on qualification information and the letter of interest. Unless otherwise noted in the specific Design-Build advertisement, the criteria for evaluating letters of interest will include:

- 1)Past Performance Grades: Contractor, Design Consultant, and Construction Engineering Inspection(CEI) firm, if CEI is included in contract;
- 2)Joint experience of the firms working together;
- 3)Design-Build experience of the firms;
- 4)Similar type of work experience;
- 5)The current capacity of the firms;
- 6)Time delays on past projects;
- 7)Experience of key personnel;
- 8)Safety Record;
- 9)Firm organization, resources, and location;
- 10)Environmental record;
- 11)Contractor Cooperation and Dispute History;
- 12)Other content in the Letter of Interest;
- and 13)Other categories set forth in the advertised project.

At least three Design-Build firms will be shortlisted from the received responses at the date specified below and the results of the shortlisting process will be posted on the Department's web site (www.dot.state.fl.us/procurement) at the indicated date and time. Public meeting dates and times are provided with new listed projects. All public meetings will be held in District headquarters unless otherwise noted. Changes to meeting dates and times will be updated under the All Advertisements link. The short-listed firms will be provided a Request for Proposal(RFP) containing a design criteria package and requested to provide a technical proposal and price bid proposal for the project. Unless otherwise specified in the RFP, the award of the project will be determined on an adjusted total score based on both the price and technical

proposal score.

For those projects designated as **LOW BID TYPE** bid proposals must be submitted by the date and time indicated in the advertisement. For low bid type projects, an RFP may be requested by any interested party at the response address provided below. The technical proposal of the low bidder will then be reviewed to determine its responsiveness. If found to be non-responsive, the next lowest bidder will be considered. A proposal will be considered non-responsive if it does not contain all of the information and level of detail requested in the RFP. All bid openings and public meetings will be held in district headquarters unless otherwise noted. Changes to meeting dates and times will be updated under the All Advertisements link. The selection results will be posted on the Department's website(www.dot.state.fl.us/procurement) at the date and time indicated in the advertisement.

Note: The Department reserves the right to reject all proposals and/or to waive minor proposal irregularities.

Pursuant to Sections 120.57(3) and 337.11, Florida Statutes, and Rule Chapter 28-110, Florida Administrative Code, any person adversely affected by the agency decision or intended decision shall file with the agency both a notice of protest in writing and bond within 72 hours after the posting of the notice of decision or intended decision, or posting of the solicitation with respect to a protest of the terms, conditions, and specifications contained in a solicitation, and will file a formal written protest within ten days after the filing of the notice of protest. The required notice of protest and bond, and formal written protest must each be timely filed with the **Florida Department of Transportation, Clerk of Agency Proceedings, 605 Suwannee St., Mail Station 58, Tallahassee, FL 32399-0458**. Failure to file a notice of protest or formal written protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

E-VERIFY: The Department of Transportation shall require the following as a condition of all FDOT contracts:

Vendor/Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system, in accordance with the terms governing use of the system, to confirm the employment eligibility of;

1. all persons employed by the Vendor/Contractor during the term of the contract to perform employment duties within Florida; and
2. all persons including subcontractors, assigned by the Vendor/Contractor to perform pursuant to the contract with the department.

DISTRICT 1

Procurement Number : E1J48

Project Description :

The Florida Department of Transportation (DepartmentO) is issuing this Request for Proposal (RFP) to solicit competitive bids and proposals from Proposers for the Design

and Construction of Sidewalks along SR 64 and SR 789 in Manatee County, FPID Nos. 4289110-1-52-01 and 428911-1-52-01 FAP IDs.: SRTS 167 A and 0951 639 U. The locations are as follows:

SR 64, from Gulf Dr. east to SR 789 on the north and south sides; and

SR 789, from 31st. St to the existing sidewalk south of SR 64 on the west side.

All sidewalks will be five (5') foot wide and in the existing right of way.

For those projects designated as LOW BID TYPE, bid proposals must be submitted by the date and time indicated in the advertisement. For low bid type projects, an RFP may be requested by any interested party at the response address provided below. The technical proposal of the low bidder will then be reviewed to determine its responsiveness. If found to be non-responsive, the next lowest bidder will be considered. A proposal will be considered non-responsive if it does not contain all of the information and level of detail requested in the RFP. All bid openings and public meetings will be held in district headquarters, unless otherwise noted. Changes to meetings dates and times will be updated under the All Advertisement link. The selection results will be posted on the Department's website (www.dot.state.fl.us/procurement) at the date and time indicated in the advertisement.

DESIGN/BUILD TEAM REQUIREMENTS: The Contractor and Design Professionals cannot be on more than one team. The secondary member (i.e., designer or contractor) of the design build team cannot change, after award, without the written approval of the District Secretary.

A professional firm shall not submit a proposal for Construction Engineering and Inspection (CEI) services, either as a Prime or a Sub-Consultant, for a Design Build contract for which the same firm or its affiliate is the Engineer of Record (EOR) or is a Sub-Consultant to the EOR, without the written approval of the District Secretary. A consultant firm, its affiliate, or sub-consultant that is under contract with the Department to develop the Request for Proposal for a Design Build contract cannot be a part of a Design Build Team proposing on that contract as a prime or sub-consultant. A consultant firm, its affiliate, or sub-consultant, that is under contract with the Department to provide CEI services on the Design Build contract cannot be a part of a Design Build Team proposing on that contract as a prime or sub-consultant, without the written approval of the District Secretary.

PREQUALIFICATIONS: Pre-qualification requirements listed within the Design Build Advertisement for the contractor and design professional members of the Design Build Team must be in accordance with the following, Rule Chapter 14-91, Florida Administrative Code (FAC):

(1) Contractor submitting as a lead of primary party with the design build team must be qualified in the advertised Construction Contractor Work Classes, in accordance with the provisions of Rule Chapter 14-22, FAC.

2) Requirements under Rule 14-75, FAC - The Lead Designer and/or sub-consultant(s) can be utilized to meet the advertised Professional Services Work Type(s) requirements listed herein.

(3) When a joint venture party submits a Letter of Interest, one of contractor members of the joint venture party must be assigned to meet the advertised Construction Contractor Work Class requirements, in accordance with the provisions of Rule Chapter 14-22, FAC. In this case, the design professional member(s), and sub-consultant(s) of the team will be utilized to meet the professional consultant work type requirements, in accordance with provisions of Rule Chapter 14-75, FAC.

RESPONSE PROCEDURE: Pre-qualified firms interested in being considered for the project should complete the questionnaire (that has been attached to the draft Request for Proposal) and return it to the following E-Mail address:

dl-designbuild@dot.state.fl.us

Questionnaires will be accepted during the actual Mandatory Pre-Bid Conference.

MANDATORY PRE-BID CONFERENCE: Proposal form (Bid Packages) will be issued only to attendees of the Mandatory Pre-Bid Conference.

This project has a Mandatory Pre-Bid Conference Meeting on March 9, 2011 at 2:00 p.m., at the Bartow District Office located at 801 North Broadway Avenue, Bartow, Polk County, Florida. Plans, Specifications, and Proposal Packages will no longer be available after the Mandatory Pre-Bid Conference. Design Build firms must attend the Pre-Bid Conference to be eligible to submit Bid Proposals and Technical Proposals for this project.

LATE ARRIVALS TO MANDATORY PRE-BID CONFERENCE: All bidders must be present and signed in prior to the start of the Mandatory Pre-Bid Conference. Anyone not signed in at the commencement of the meeting will be considered late and will not be allowed to bid on the project.

BONDING REQUIREMENTS: Firms submitting bids will be required to provide a 5% bid bond for each bid in excess of \$150,000.00.

The legal entity contracting with the Department must provide evidence of its ability to obtain Professional Liability Insurance covering errors and omissions in the amount of \$1,000,000.00. Evidence shall be in the form of letter from an insurer or a Florida Resident Agent for an insurer indicating ability to provide such insurance. The insurer must be licensed to do business in the State of Florida. Project specific insurance is insurance covering only this project.

The legal entity contracting with the Department must have bonding capacity of at least the bid amount for a single contract. Said legal entity must provide the evidence of its ability to be bonded for a single contract in the amount of at least the bid amount. Evidence of this single contract bonding capacity may be in the form of either a letter from the said legal entity's Surety Company indicating a single contract bonding capacity in excess of the bid amount or a copy of a performance and payment bond issued within the past twelve (12) months, in the amount of at least the bid amount for any past single contract of said legal entity. The Surety Company must be authorized to do business in the State of Florida.

SUBMITTAL REQUIREMENTS: The legal entity desiring consideration for this project shall submit one (1) copy of their Letter of Interest and one (1) Compact Disc with the complete Letter of Interest in a pdf. format. The Letter of interest shall not exceed five (5) pages in length, except as noted in 1 below, to the requesting unit listed below. Only one (1) Letter of Interest per legal entity is acceptable. Receipt of multiple Letters of Interest from a legal entity will cause Department rejection of all Letters of Interest of the legal entity. The Letter of Interest shall, as a minimum, include the following information:

1. **Business Structure:** Identify the legal entity authorized by law to render the design/build services. Include documentation demonstrating compliance with the Minimum Qualifications Requirements set forth in this solicitation. Evidence or proof of meeting the Minimum Qualification Requirements of Professional Liability Insurance and bonding capacity, along with copies of letters from the Department indicating the pre-qualifications of the legal entity(ies) or firm(s) are exempt from the five-page Letter of Interest restriction.

2. **Design/Build Team:** Identify participating firms and office location(s). Provide an organization chart relating to the project and include the names, titles and classifications of key personnel for each firm.

3. **Design/Build Experience:** Provide a listing of active and completed design/build projects similar to this project, including starting date and completion date or anticipated completion date, budget, owner performance evaluation if available, references, points of contact, telephone numbers of the proposed Design/Build team and demonstrate past experience working together.

4. **Other Experience:** Provide a listing of active and completed projects other than design/build projects similar to this project including references, points of contact and telephone numbers for the owner and team members performing engineering design and construction.

5. **Approach and Understanding of Project Requirements:** Briefly describe the project issues and resolutions by your team.

Letters of Interest shall be reviewed based on the following

criteria:

1. Past Performance Grades: Contractor and Design Consultant
2. Joint experience of the firms working together
3. Design-Build Experience of the firms
4. Work experience on similar types of projects. Include project information and references;
5. The current capacity of the firms
6. Time delays on past projects
7. Experience of key personnel
8. Firm organization, resources, and location
9. Other content in the Letter of Interest.
