September 13, 2013 Letting

**ADDENDUM NUMBER ONE**

FINANCIAL PROJECT NO.: 432728-1-72-06  
DISTRICT CONTRACT NO.: E1M77  
MANATEE & SARASOTA COUNTY

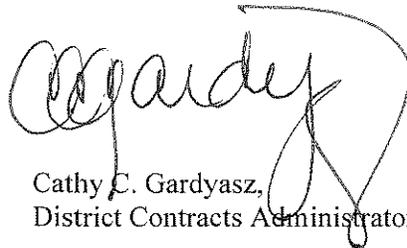

Contractor,

You are hereby notified that the following change has been made to the Maintenance Special Provisions:

**SUBARTICLE 703-4.3 of the Maintenance Special Provision is deleted and the following substituted:**

**703-4.3 Thickness:** Pavement marking thickness cannot exceed 0.150 inches above the pavement surface. All gore, island, diagonal stripe markings, bike lane symbols and messages will have a maximum thickness of 0.12 inch for the particular product used, after application of the glass spheres (if applicable), when measured above the pavement surface at the edge of the stripe or marking. All other stripes and markings within traffic wearing areas will have a maximum thickness of 0.150 inch for the particular product used, when measured above the pavement surface at the edge of the stripe or marking.

Acknowledge receipt of this addendum in the space provided on the proposal.

Cathy C. Gardyasz,  
District Contracts Administrator
