**Addendum No.: 14**

**Project #: E2L64  
Financial Project #213345-1-52-01 and 213345-1-56-01  
Federal Project # 2955.281 I**

**Title of Project:** Federal Oversight project for Design Build for a new I-295 Interchange at Collins Road, and for the construction of a concrete collector-distributor road system, which includes capacity improvements for the Blanding Boulevard northbound on-ramp to I-295 southbound and for the resurfacing of Blanding Boulevard from the Clay County line to Collins Road.

- **Included with this addendum is the revised main bid blank #375-020-17. Be sure you send in all documents sent to you in Addendum 10 except that bid blank. Use the one for this addendum 14.**
- When sending in the bidding documents, fill out every sheet and return all sheets with this addendum except the FHWA 1273 and the Workforce and employment information sheet.
- **Be sure to add the amount for the contingency and the partnering in with your total price which has to be entered on the bid blank page. Subtract the \$75,000 for the stipend and have an adjusted total amount for reduction if you are the low bidder.**
- Be sure contract calendar days match on every document.

**Per Page 68 of the RFP, volume 1**

### **VIII. BID PROPOSAL REQUIREMENTS**

#### **A. Bid Price Proposal**

Bid Price Proposals shall be submitted on the Bid Blank form attached hereto and shall include one lump sum price for the Project and the number of calendar days within which the Proposer will complete the project. The lump sum price shall include all costs for all design, geotechnical surveys, architectural services, engineering services, Design/Build Firms quality

plan, construction of that portion of the Project, and all other work necessary to fully and timely complete that portion of the Project in accordance with the Contract Documents, as well as all job site and home office overhead, and profit, it being understood that payment of that amount for that portion of the Project will be full, complete, and final compensation for the work required to complete that portion of the Project. If the Department is compensating the short-listed lead designers for the proposals by means of a separate Design/Build Stipend Agreement (Form No. 700-011-14), the Total Lump Sum Price shown on the Bid Blank form (Design-Build Bid Proposal) should reflect a deduction of the proposal compensation amount as a separate line item. The Price Proposal shall be hand delivered in a separate sealed package to the following:

Due to the fact that the bid price has to reflect the stipend amount, please deduct the stipend on a line below the bid total price line:

Example: Form # 375-020-17

Include also the Design Build Bid Bond which we have supplied, filled out completely and correctly by your Surety Company.

Please sign, date and email a copy of this addendum back to me today to indicate receipt. A copy of each addendum is to be returned with your bid package.
