Archer Western Contractors, Ltd with GAI Consultants, Inc.
Kiewit Infrastructure South Co. with Parsons Brinckerhoff (PBS Americas, Inc.)
Superior Construction Southeast LLC with Arcadis U.S. Inc
The LANE Construction Corporation with Reynolds, Smith and Hills, Inc.

Archer Western

The Archer Western/GAI/Metz team has had outstanding performance on recent design build projects in D2. The team has good joint experience together and many resources in Jacksonville. This is a proven team of roadway and bridge designers. Archer Western has successfully self performed two concrete pavement rehabilitation projects in D2.

Lane

The Lane/RS&H/KCA team has joint experience. Each team member has design build experience and Lane and KCA have design build experience together. Lane has construction performance grades in three different districts with excellent grades. RS&H has other project experience in the area and is serving as the General Consultant to JAXPORT.

Kiewit

The Kiewit/Parsons Brinkerhoff team has joint experience in Florida and Maryland. Design build is the cornerstone of Kiewit. The proposed Project Director has served in the same capacity on four design build projects in Florida. Kiewit has worked in almost all the different Districts with excellent construction performance grades. Parsons Brinkerhoff team members have worked jointly on multiple complex interchange designs. Kiewit is currently self performing a concrete pavement rehabilitation project in D2. Kiewit's Experience Modification Rate (EMR) is 0.57; the industry standard is 1.0.

Superior

The Superior/Arcadis team is a proven team with good joint design build experience on D2 projects with both the FDOT and JTA. Superior has completed 12 design build projects in the state and 16 nationwide. Superior and Arcadis both have excellent similar project experience. This team has many resources in the Jacksonville area.
