- 1) Page 1: In the Introduction, replace the last bullet item in the list of project requirements that are not to be changed by the Design Build Firms with the following:
 - Pond Locations (Appendix G), except in cases where an alternate pond location is necessary to accommodate a horizontal alignment change in an approved ATC and the alternate pond location is approved in conjunction with the ATC.

- 2) Page 49: In Section VI.E, replace the first bullet item in the list of Design-Build Firm responsibilities with the following:
 - Stormwater treatment ponds shall only be constructed at the locations depicted in an approved Horizontal Layout (corresponding to either the Horizontal Layout in Appendix G or a Department approved ATC related to a horizontal alignment change).
