SB 1752

### Section 50 – Preference to State Residents

Chapter 2010-147, Section 50, Laws of Florida, providing for preference to residents of the State of Florida, requires each contract that is funded by state funds must contain a provision requiring the contractor to give preference to the employment of state residents in the performance of the work on the project if state residents have substantially equal qualifications to those of nonresidents.

As used in this Section, the term substantially equal qualifications means the qualification of two or more persons among whom the employer cannot make a reasonable determination that the qualifications held by one person are better suited for the position than the qualifications held by the other person or persons.
