DISTRICT THREE
JACKSON AND WASHINGTON COUNTIES

Intent and Scope: The work under this contract consists of fence line pruning, tree trimming, and tree and brush removal along Interstate 10 (State Road 8) in Jackson County (MP 0.000 – MP 33.185) and Washington County (MP 12.906 – MP 23.963). Cut and remove trees ($\leq 6''$ in diameter – measured as diameter at breast height) and brush within the right-of-way, adjacent to the fence. Create a continuous corridor with minimum dimensions of 10' wide and 15' high. No brush, limbs or debris shall be left protruding either horizontally or vertically from the fence line in accordance with the aforementioned dimensions. All vegetation greater than $\frac{1}{4}''$ in diameter, shall be removed from the fence, and line trimmers shall be utilized at the base of the fence, concurrent with the removal operation. This work shall be performed without the use of a flail type mower. At no time will tree trimming operations get over two (2) days ahead of the debris removal operation. If this does occur, the tree trimming operation will stop until the debris removal operation gets within these limits. All work shall meet the requirements of Federal, State, and local laws and environmental standards. **Maintenance of Traffic will be incidental to the pay items listed.**

The July 2015 Edition of the Florida Department of Transportation Standard Specifications is revised as follows: Special Provisions and Supplemental Specifications.

I hereby certify that this specifications package was prepared by me, or under my responsible charge, in accordance with procedures and specifications adopted and implemented by the Florida Department of Transportation.
