March 30, 2016

ADDENDUM NO. 1

To: **ALL PROPOSAL HOLDERS**
FINANCIAL ITEM NUMBER: 42215117273
CONTRACT NUMBER: E3P95-R0
DESCRIPTION: The improvements under this District Contract consist of mechanical sweeping of designated

BIDS TO BE RECEIVED: April 14, 2016

If you are a PROPOSAL HOLDER, this is your authorization to make the following changes to the plans and specification packages you now have for the subject project:

- **The Intent and Scope language located on pages 1 & 7 of the Specifications package has been revised. The updated pages are included (3 pages).**
- **All references to Section 580-33 Chemical Vegetation Control have been removed from the Specifications package. The updated pages are included (6 pages).**

Please use this revision when preparing your bid.

Sealed bids will be received until 2:00 p.m. local time on April 14, 2016 in the District Three Procurement Services Conference Room, Room 230, Administration Building, 1074 Highway 90, Chipley, Florida.

AMENDMENT NOTIFICATION

If you are a PROPOSAL HOLDER, please go to the District Three Contracts Administration Addenda Website at <http://www.dot.state.fl.us/contractsadministrationdistrict3/> to download Amendment No. 1, file E3P95-R0.001.

Also all PROPOSAL HOLDERS please acknowledge receipt of the addendum under the Acknowledgement of Amendments tab on your electronic bid.

If you have any further questions please contact Amanda Mauldin by phone at (850) 330-1364 or by email at amanda.mauldin@dot.state.fl.us.

Sincerely,

Steve Thames

ADDENDUM NO. 1

To the: Specifications Package

For: Contract E3P95-R0

FPID: 422151-1-72-73

Description: Edging & Sweeping in Leon County

Specification Package:

- On pages 1 and 7, the Intent and Scope is deleted and replaced with the following: "The work in this contract consists of mechanical sweeping of designated roads and bridges in addition to edging and sweeping of designated locations in Leon County. The areas to be swept include, but are not limited to: curb and gutter, valley gutter, all asphalt areas at intersections where debris can accumulate, areas adjacent to barrier walls, bridge decks, inlet openings, curb ramps, concrete median traffic separators and associated drainage slots, and concrete pedestrian throughways. Removal of vegetation, accompanying build-up of soil, or roots in cracks and joints of pedestrian areas (including within sidewalks, between sidewalks and curbs, between sidewalks and concrete or asphalt driveway connections, sidewalks, and curbs) and median traffic separators will be performed as incidental to pay item E110-32-1. **Maintenance of Traffic and Mobilization will be incidental to the pay items listed.**"
- Pages 2, and pp. 36-38 – References to Section 580-33 Chemical Vegetation Control have been deleted.

Signed: 
Chad A. Williams, P.E.

bonds or bond continuations provided by the Surety hereunder, the Surety's liability for each bond or bond continuation shall be limited to the contract amount for the twelve month period for which the bond or bond continuation is provided.

Each Payment and Performance Bond shall be provided by a surety company authorized to conduct business in the State of Florida. Each Payment and Performance Bond shall be executed only on the forms provided by the Department. Failure to provide any of the required Payment and Performance Bond's to the Department within the aforementioned time frames shall entitle the Department to annul the award, declare the Contractor in default, terminate the Contract, or decline to renew the Contract, all in the Department's sole discretion.

3-5.1.2 Bonds for Improvement, Demolition or Removal Contracts of \$25,000 or Less: If this Contract is for an improvement, demolition, or removal Contract of \$25,000 or less, the security may be a cashier's check, certified check or bank or postal money order. The Department will deposit and hold the security, paying no interest throughout the life of the Contract. The security will not be refunded until written notice of final acceptance is issued by the Department.

SCOPE OF WORK – INTENT OF CONTRACT.

(REV 8-19-09) (FA 8-24-09) (1-16)

ARTICLE 4-1 is expanded by the following:

The work in this contract consists of mechanical sweeping of designated roads and bridges in addition to edging and sweeping of designated locations in Leon County. The areas to be swept include, but are not limited to: curb and gutter, valley gutter, all asphalt areas at intersections where debris can accumulate, areas adjacent to barrier walls, bridge decks, inlet openings, curb ramps, concrete median traffic separators and associated drainage slots, and concrete pedestrian thoroughways. Removal of vegetation, accompanying build-up of soil, or roots in cracks and joints of pedestrian areas (including within sidewalks, between sidewalks and curbs, between sidewalks and concrete or asphalt driveway connections, sidewalks, and curbs) and median traffic separators will be performed as incidental to pay item E110-32-1. **Maintenance of Traffic and Mobilization will be incidental to the pay items listed.**

CONTROL OF THE WORK.

(REV. 10-7-15) (1-16)

ARTICLE 5-1 is expanded by the addition of the following new Subarticle:

5-1.7 Work Documents: For Contracts in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. The Contractor will be allowed 14 calendar days from receipt of the initial Work Document to respond and begin work. The
