CONTRACT NO. E3O40-R0

DESCRIPTION: State Right of Ways in Jefferson, Wakulla, Liberty, Gulf & Franklin Cos.

The following change has been made to the Advertisement you now have for the subject project.

PAGE 10 – 15.2.1 TECHNICAL SCORE – Evaluation Criteria Table

DELETE 7.q. “Third Party ISO-Certified Endorsement” from the table and replace with 7.q. “Certification of Quality Management System”

PAGE 14 – 15.2.1 TECHNICAL SCORE

DELETE SECTION 7.q. and replace with the following section -

- q. **CERTIFICATION OF QUALITY MANAGEMENT SYSTEM** – Provide a certificate endorsed by an independent body noting that the firm’s Quality Management Plan completely meets the Department’s specific requirements as detailed in the Section 4.14 Quality Management of the Scope of Services. The certifying independent body shall not have business concerns, organizations, or individuals where, directly or indirectly, one controls or has the power to control the other, or a third party controls or has the power to control both. Indications of control include interlocking management or ownership, identity of interests among family members, shared facilities and equipment, and common use of employees. In addition, the Contractor shall also submit an affidavit confirming the certifying entity’s independence in accordance with the aforementioned definition. Demonstration by the Contractor of the required third-party certification at the project level at a previous point in time will also serve to satisfy this requirement as long as the supplied written assurance certifies that the requirements of Section 4.14 Quality Management were wholly met as part of the prior project. Supplying the appropriate certificate will score maximum points for this section; failure to supply the

appropriate certificate will score zero points for this section. The certificate, along with the required affidavit, will not be considered to be part of 35 page technical proposal limitation.

This addendum consists of 2 pages (8 ½ X 11). Please attach a copy of this Addendum in your Proposal as verification of your receipt of this Addendum.
