**Description:**

The improvements under this Push-Button Contract consist of the rehabilitation of existing pipe by forming the lining on the host pipes interior, thereby allowing debilitated pipe to regain strength and performance capabilities. Also included in this contract will be the de-silting of pipe in advance of pipe lining and/or for removing blockages from existing pipes, as well as, cleaning and sealing of manholes and pipe inlets. This contract will also include chemical grout repair around various sizes of pipe specified by the engineer. The Maintenance of Traffic and Mobilization shall be incidental to other pay items listed. Pay item notes for this project are shown in the Appendices. This contract has a budgetary ceiling of \$400,000.00 A Contractor Experience Form (850-070-05), Experience in Drainage Repair, is required to be submitted with bid.
