Description:

The Improvements in this Work Document-Driven Contract consist of storm sewer video inspection, mapping of existing system, desilting storm drain pipes and box culverts, and cleaning drainage structures. Work is to be performed at designated locations shown in the Appendices, and other locations may be added or substituted as deemed necessary by the Department. All work shall meet the requirements of Federal, State, and local laws and environmental standards. Maintenance of Traffic and Mobilization will be incidental to the pay items provided, except as specified in the Appendices.
