**(REV. 2-19-09)**

ARTICLE 2-1 is deleted and the following substituted:

This Project requires the Contractor to have specific expertise and experience in the performance of Pipe Desilt, Repair and Lining projects. In order for the Contractor to obtain a proposal, the following requirements must be provided to the District Contract Administrator:

(a) A letter on the company letterhead certifying to the following including the expertise and experience of the Contractor in the performance of Pipe Desilt, Repair and Lining projects and providing the specified documentation (the letter must be signed by the Owner of the Company or Company Officer and dated):

(1) At least five (5) complete years of experience in the active performance of Pipe Desilt, Repair and Lining projects with its own forces and organization as opposed to the use of subcontractors. The company shall include up-to-date resumes for their Superintendents with experience in Pipe Desilt, Repair and Lining projects.

(2) Declaring that the company will perform all contract required Pipe Desilt, Repair and Lining with its own forces and organization, except as may be provided in Standard Specification 8-1 as modified by the Contract documents.

(3) Listing project history of the company's experience as a Pipe Desilt, Repair and Lining contractor for the five (5) years declared in item (a)(1) above, including the following information:

- (i) Project name/number and brief description of work performed; and
- (ii) Beginning and ending date of project; and
- (iii) Location of project (city, state); and
- (iv) Monetary amount of project; and
- (v) Owner of project/contact person/phone number with area code; and
- (vi) If applicable, name of Prime Contractor (Client) that the work was performed for, including phone number with area code.

Prequalification in Drainage can be substituted for the required work experience.

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit the following:

- (a) A bid on a contract to provide any goods or services to a public entity.
- (b) A bid on a contract with a public entity for the construction or repair of a public building or public work.
- (c) Bids on leases of real property to a public entity.

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 F.S., for Category Two. All restrictions apply for a period of 36 months from the date of placement on the convicted vendor list.

All prequalified Contractors bidding on any Contract must include with their bid proposal a copy of their Certification of Current Capacity (Form 375-020-22) and Status of Contracts On Hand (Form 375-020-21).
